MINUTES OF SPECIAL MEETING

A Special Meeting of the Recreation and Park Commission was called to order in the Orientation Center, San Francisco Zoo, at 10:00 A.M. on Saturday, January 12, 1974, President DiGrazia presiding, to receive public comment on the proposed objectives and policies for the San Francisco Zoo.

* * * * *

ROLL CALL: President DiGrazia
Vice President Dominguez
Commissioner McAteer
Commissioner Sabella

ABSENT: Commissioner Friend
Commissioner Johnson
Commissioner Thomas

* * * * *

President DiGrazia stated that the purpose of the meeting was to receive public comment on the proposed objectives and policies which had been prepared by the Zoo Advisory Committee with the assistance of the Department of City Planning.

President DiGrazia further stated that the meeting will be tape recorded so that the staff may prepare a full report on testimony received.

Mr. Caverly, the General Manager, introduced officers of the San Francisco Zoological Society, the members of the Zoo Advisory Committee who were present, and the staff.

Mr. Caverly explained the function of the Zoo Advisory Committee and presented the Co-Chairmen, Commissioner McAteer and Dr. Robert Orr.

Dr. Orr outlined the procedure followed by the Committee in arriving at the objectives and policies for the Zoo for citizen review, and stated that comments would be most welcome.

A series of slides of the Zoo was presented by the Director, Mr. John J. Spring. Mr. Thomas Malloy read letters from the following, commenting on the proposed objectives and policies:

REQUEST:CONSERVATORY VALLEY - FLORAL PLAQUE:

On motion of Commissioner McAteer, seconded by Commissioner Johnson, the request for the floral plaque for the month of March, 1974, from the San Francisco Garden Club to publicize the "Skill-a-rama" was approved.

COMMISSION COMMITTEE
AND STAFF:1. REPORT BY GENERAL MANAGER:

Mr. Joseph Caverly reported on the following:

1. Further steps which were being taken in regard to conserving energy.
2. Meetings which were held with Mr. Bill Whalen and representatives from ABAG in connection with the Golden Gate National Recreation Area.
3. A meeting with the Board of Education to discuss reimbursement for use of the Department's swimming pools by public schools.
4. That the public hearing on the proposed objectives and policies for the San Francisco Zoo had been held on January 12, 1974; that there had been considerable input by interested parties; and that a complete report would be made at the next meeting, which will be held on February 14.

Following Mr. Caverly's report, and on motion of Commissioner McAteer, seconded by Commissioner Thomas, the General Manager was authorized to continue to negotiate with the San Francisco Unified School District in his efforts to secure monetary assistance for use of the pools by public school students.

4. UNION SQUARE GARAGE:

Mr. Arthur S. Becker, Director of the Parking Authority, referred to Resolution No. 551 which had been adopted by the Parking Authority on December 13, 1973, recommending that the Recreation and Park Commission take action to amend the public parking rate at Union Square Garage to provide for parking of bicycles at a flat rate of 25¢ for a 24-hour maximum. According to Mr. Becker, this was the rate which was presently being charged for bicycles at the Golden Gateway and Civic Center garages.

In response to an inquiry by Commissioner Thomas, Mr. Becker assured the Commission that parking of bicycles would not be hazardous. Mr. Becker also stated that in order to maintain proper surveillance the bicycles would be parked in an area designated by the operators that would be visible from the attendants' booth

about timing in connection with the transfer of properties, stating her belief that the process is more involved than originally believed.

Mr. Caverly stated that it was not the City's intention to transfer all properties at one time and it may be that a letter of intent will enable the Federal Government to proceed in some cases with improvements, etc.

At the request of President DiGrazia, Mr. Caverly agreed to look into this matter and determine how other cities were handling similar transfers.

Mr. Joseph Caverly remarked that he was impressed with the entire plan; that it was a very complete document; and stated that there were only a few areas of disagreement.

**12. IMPROVEMENT PLAN FOR RECREATION
AND OPEN SPACE:** (Continued)

In response to President DiGrazia's request for comments, Commissioner McAteer stated that she had some objections, which were as follows:

**1. LINCOLN PARK, under Western
Shoreline Plan, Page 8.**

Mrs. McAteer expressed her belief that instead of "public recreation facilities" special mention should be made of the 18-hole golf course at Lincoln Park.

Mr. Williams stated that in his opinion the existing language covers the golf course.

Mr. Caverly stated that it was rather difficult to detail every facility. Mr. Joseph Misuraca, Superintendent of Recreation, mentioned that the public recreational facilities at Lincoln Park also included a playground for children.

**2. Policy 1 - Preserve Public Open
Space, under Recreation and Cultural
Buildings - Page 14.**

Commissioner McAteer opposed the policy that where recreation buildings are needed they should be located outside of or adjoining parks and playgrounds. According to Commissioner McAteer, on some facilities, to properly accommodate and provide for the needs of children, it is most important to have some activities inside.

Commissioner McAteer pointed out that at the latest facility, George Christopher Playground, the building, overlooking the children's playground and the tennis courts, was very functional.

Commissioner McAteer stated that in her opinion there should be no restrictions on the Recreation and Park Commission as to whether or not recreation buildings should be constructed on facilities under its jurisdiction.

Mr. Caverly suggested that the Commission approve the statement to which Commissioner McAteer refers, with the deletion of the word "recreation".

12. IMPROVEMENT PLAN FOR RECREATION
 AND OPEN SPACE: (Continued)

Mr. Williams expressed his understanding of Commissioner McAteer's remarks but stated that the intent of this particular statement in policy number 1 is to preclude, for instance, construction of a gymnasium or recreation building on an open space area such as Marina Green.

According to Commissioner McAteer, a building on Marina Green would never be considered by this Commission.

Commissioner McAteer also pointed out the beautiful open space area of the recently acquired property known as the Daniel Koshland Park, but reiterated that on some other facilities it is most important to have recreation buildings in order to properly take care of children and to provide inside activities where necessary or advisable.

Commissioner Thomas remarked that he, too, had an objection, but first complimented the Department of City Planning for the excellent plan, which he considered on the whole very worthwhile and very constructive, but expressed his opposition to Policy 5, under CITYWIDE SYSTEM entitled "Develop a Master Plan for Golden Gate Park" - Page 16.

Commissioner Thomas stated that as much as he would like to approve the Plan, prepared by the Department of City Planning, and that he very definitely believed a Master Plan for Golden Gate Park should be developed, nevertheless he objected to the requirement that it be developed before any major changes or developments be permitted within the Park.

Mr. Allan Jacobs, Director of Property, who was now present, responded to Commissioner Thomas, and stated that the only way to preclude confrontations is to have a Master Plan that addresses the issues involved. According to Mr. Jacobs, allowing construction of buildings and making other major changes, etc., could result in never having a Master Plan. Mr. Jacobs further stated that it is not clearly stated in the Improvement Plan for Recreation and

Open Space that a Master Plan for Golden Gate Park would prohibit further construction in the Park, but the point of a Master Plan would be to answer the question of buildings and to answer questions pertaining to traffic, etc.

Commissioner Thomas expressed his agreement with Mr. Jacob's statements but nevertheless expressed his concern about the language "no major changes or development should be permitted within the Park until a park master plan is developed."... According to Commissioner Thomas, such determination should be made by the Recreation and Park Commission.

President DiGrazia recommended that the Plan be approved with the exception of those points mentioned by Commissioner McAteer and Commissioner Thomas.

On motion of Commissioner Thomas, seconded by Commissioner McAteer, the following resolution was adopted:

**13. PROPOSED CHARTER AMENDMENT -
OPEN SPACE ACQUISITION FUND: (Cont'd)**

Commissioner Thomas expressed his objection to the new language, which gives the Recreation and Park Department the power, separate and independent from that granted to the Director of Property, to acquire land for open space purposes. According to Commissioner Thomas, these duties are the responsibility and function of the Director of Property and should be retained by him.

Commissioner Thomas also questioned the need for "a Director of Open Space Acquisition".

Following general discussion, and on motion of Commissioner Thomas, seconded by Commissioner Johnson, the following resolution was adopted:

RESOLUTION NO. 9528

RESOLVED, that this Commission does hereby approve in principle the proposed Charter Amendment relating to the establishment of an Open Space Acquisition Fund to implement the Open Space and Recreation Element of the City's Master Plan, with the following exceptions:

1. That the new language to be added to Section 3.552 of said proposed Charter Amendment, which reads as follows:

"The recreation and park department shall have the power, separate and independent from that granted to the director of property under section 7.400 of this charter, to acquire by purchase, lease, exchange, eminent domain, or otherwise, or to receive by gift or devise, real property, interests therein, and improvement and development rights thereon for recreation and open space purposes, including lands which are currently open and undeveloped, and lands with existing improvements thereon, which could thereafter be demolished. Any such lands acquired with monies taken from the open space acquisition fund established in section 6.413 of this charter shall be held, developed, or otherwise dealt with only pursuant to that section."

shall be deleted; and

2. That consideration be given to the need for and the functions of:

"a director of open space acquisition", the new language in section 3.551 of said proposed Charter Amendment.

**13. AWARD OF CONTRACT -
TENNIS PROFESSIONAL PRIVILEGES
AT GOLDEN GATE PARK TENNIS COURTS:**

Mr. Paul Yuke stated that bids for establishing and operating a tennis pro shop in the William M. Johnston Tennis Clubhouse in Golden Gate Park had been advertised in October, 1973; that bidders were requested to give rental percentage on anticipated sales in two categories -- on gross revenue from tennis lessons and instruction, and on gross revenue from the sale of merchandise, vending machines, rentals, and from any and all other operations. According to Mr. Yuke, four bids had been received, the highest of which was from Francis D. Barrett and Associates. Mr. Yuke further stated that the percentages bid by Francis D. Barrett and Associates were as follows:

15% on lessons and instructions
7.5% on sales of merchandise, etc.

Mr. Yuke reported that the bids had been reviewed by the staff and by Commissioner McAteer.

Mr. Caverly stated that Mr. Barrett's attorney, Mr. Charles A. Brigham, had offered a proposal that Mr. Barrett would guarantee an annual minimum of \$16,000.00 payable \$3,000.00 quarterly in advance, with any remaining balance to be paid at the end of each year.

Mr. Barrett was present at the meeting and introduced his wife, his associate, Mr. Davis, and his attorney, Mr. Charles A. Brigham.

21. HANG GLIDERS -- PROHIBITION OF USE:

Mr. Emmett O'Donnell, Superintendent of Parks, stated that hang gliders are presently being used at Fort Funston and at other areas at the beach, and expressed his opposition to this type of recreation. Mr. O'Donnell mentioned his concern about the operators, the people who are on the beaches, and the erosion that resulted from constant use of hang gliders.

Officer Milo of the San Francisco Police Department stated that novices were being trained in the areas to which Mr. O'Donnell referred and that he considered hang gliding to be hazardous.

Miss Jan Case, representing hang gliding enthusiasts, stated that hang gliding has been recognized as a new form of recreation which is gaining popularity, and that she did not believe it was hazardous.

Commissioner McAteer recommended that there be a study of hang gliding before a resolution is adopted by the Commission which would prohibit this type of recreation.

President DiGrazia then appointed Commissioner McAteer and Commissioner Sabella to serve on a committee to meet with Miss Case to review and explore the matter of hang gliding on properties under the jurisdiction of the Recreation and Park Commission, and to submit a report at a later date.

In the meantime, it was agreed by Miss Case that this activity would be discontinued, and she agreed to so inform her group of hang gliding enthusiasts.

**COMMISSION COMMITTEE
AND STAFF:**

1. REPORT BY GENERAL MANAGER:

Mr. Caverly reported that he had just returned from Los Angeles, where he had spent two days, at the request of the Recreation and Park Department there, to serve on the Board to interview applicants for the position of Operations Manager and Assistant to the General Manager, Mr. Bill Frederickson.

Mr. Caverly called the Commission's attention to the mural on display, which had been planned by the Arts and Crafts Division with the intent of depicting an artistic expression of community recreation.

Mr. Caverly introduced Mr. Fred Reid and Mrs. Clarene Leong, who were responsible for this project. Mr. Reid pointed out that the fifteen segments of the mural represented geographical divisions of the Recreation Department's satellite system plus the Josephine D. Randall Junior Museum and the Sharon Building.

According to Mr. Reid and Mrs. Leong, the project involved each satellite's staff efforts in recruiting interested youth (ages 6 to 18) to participate in the experience of designing their personal impression of the unit's activities or those of the community. Mr. Reid mentioned that a highly developed painting skill was not a requirement of the project.

Mr. Joseph Misuraca, Superintendent of Recreation, stated that the mural was being shipped to San Diego for display at a National Recreation and Park Association Forum which he will be attending within the next ten days, and that it was his intention to display it at a later date at libraries and banks throughout the City.

Mr. Caverly and all of the members of the Commission commended Mr. Reid and Mrs. Leong for this outstanding project and thanked them for their exceedingly fine efforts in assembling the various pieces.

3. GOLDEN GATE PARK -
STOW LAKE COMPANY:

Mr. Calvin Tilden, owner, Stow Lake Company, asked for the following increases:

Boats (base per hour):

Electric motorboats
From \$3.00 to \$4.00;
Rowboats From \$1.50 to \$2.00;
Pedal Boats From \$2.25 to \$3.50.

Snack Bar:

Prepackaged popcorn
From 15¢/20¢ to 25¢
Potato chips
From 15¢ to 20¢

According to Mr. Tilden, his request was justified because of the following factors: The cost of pedal boats had advanced from \$150 to \$575; the cost of food items was constantly increasing; and the cost of living increase necessitated higher wages for his employees.

Commissioner Friend complimented Mr. Tilden on his operation of the boat-house, but pointed out that the Commission had an obligation to people who used this facility.

Following general discussion, and on motion of Commissioner Friend, seconded by Commissioner Johnson, the following resolution was adopted:

COMMISSION COMMITTEE
AND STAFF:

SPECIAL FUND:

Following a statement by Mr. Caverly that the ordinance of the Board of Supervisors creating the Special Fund from fees collected at the San Francisco Zoo and providing for the expenditure of said funds will be ineffective on and after July 1, 1974, and on motion of Commissioner Dominguez, seconded by Vice President Friend, the following resolution was adopted:

RESOLUTION NO. 9578

RESOLVED, that this Commission does hereby approve submission of legislation to the Board of Supervisors to continue the Special Fund from fees collected at the San Francisco Zoological Gardens, and providing for the expenditure of said funds, which was originally established by Ordinance No. 250-69.

* * * * *

6. SAN FRANCISCO ZOO:

Mr. Caverly informed the Commissioners that the San Francisco Zoological Society had proposed the expenditure of \$25,000.00 for the development of a Master Plan for the Zoo, which had been recommended by the Zoo Advisory Committee.

The Director of the Zoo, Mr. Jack Spring, emphasized the need for such a Master Plan.

In response to an inquiry by Commissioner McAteer, Mr. Caverly stated that all of the elements of the existing Master Plan will be studied carefully but will be enlarged. Mr. Caverly also stated that in the preparation of a new Master Plan there would be input by all interested individuals and agencies.

On motion of Vice President Friend, seconded by Commissioner Thomas, the following resolution was adopted:

RESOLUTION NO. 9579

RESOLVED, that this Commission does hereby approve the proposal of the San Francisco Zoological Society that \$25,000.00 shall be spent for the development of a Master Plan for the Zoo.

9. SAN FRANCISCO ZOO -
AGREEMENT WITH THE
SAN FRANCISCO ZOOLOGICAL SOCIETY:

Vice President Friend referred to the proposed lease agreement with the San Francisco Zoological Society for operation of the concessions at the Zoo, which had been prepared by the staff and which had been reviewed by the Society. According to Vice President Friend, the agreement as currently drawn had been approved by the Society but there may be some minor changes in the language which would not make a substantial change in the terms.

9. SAN FRANCISCO ZOO - (Continued)
AGREEMENT WITH THE
SAN FRANCISCO ZOOLOGICAL SOCIETY:

On motion of Vice President Friend,
seconded by Commissioner McAteer, the
following resolution was adopted:

RESOLUTION NO. 9583

RESOLVED, that this Commission does hereby
approve in principle the proposed lease
agreement with the San Francisco Zoologi-
cal Society for the operation of the con-
cessions at the San Francisco Zoo for a
period of ten (10) years, subject to minor
changes in language, but not in intent,
before presentation to the Board of Super-
visors for approval.

10. VISITACION VALLEY COMMUNITY CENTER
LEASE:

Mr. Cameron Thompson stated that the
Center had been funded in 1918 and
incorporated in 1922; that the build-
ing, used for recreation and health
purposes, had been donated to the City,
and the lease with the City and County
for a period of 20 years had terminat-
ed. Mr. Thompson indicated that it
was the intention of the Center to
make repairs to the building, which
was being used for various purposes.

On motion of Commissioner Thomas,
seconded by Vice President Friend,
the following resolution was adopted:

RESOLUTION NO. 9584

RESOLVED, that this Commission does hereby
approve extension of the lease agreement
between the City and the Visitacion
Valley Community Center, Inc. for a
period of ten (10) years, subject to
review and subsequent approval by the
Director of Property and the Board of
Supervisors.

12. PALACE OF FINE ARTS:

Mrs. Raymond Wilhelm, President of the Palace of Fine Arts League, gave a report relative to the operation of the Palace of Fine Arts. Mrs. Wilhelm stated that the League had been re-organized to cope with its new direction inasmuch as its original purpose was to restore the Palace. Mrs. Wilhelm further stated that a definite policy had been established in regard to the Theater; that equipment had been purchased; and a membership drive would be started very soon.

Mrs. Wilhelm introduced Mrs. Jean Porter, Executive Secretary of the Palace of Fine Arts League, who gave a report of past and future bookings at the theater. Mrs. Porter stated that it was planned to have a calendar of events, which would be sent to the members of the Commission, and which Commissioner McAteer said would be publicized by the Department.

Mrs. Wilhelm presented a check in the amount of \$1,459.33, which represents 5% of the user charges for the theater (\$983.40) and 5% of the gross revenue from the theater food concession (\$475.93) for the calendar year 1973.

At the request of Vice President Friend, Mrs. Wilhelm agreed to submit a report showing receipts and expenditures of the Palace of Fine Arts League.

12. PALACE OF FINE ARTS: (Continued)

Mr. Richard Harcourt, Chairman of the Board, arrived late at the meeting, following Mrs. Wilhelm's presentation, but expressed his hope for the very successful operation of the theater and concessions in the Palace of Fine Arts.

COMMISSION COMMITTEE
AND STAFF: (Continued)

14. AWARD OF CONTRACT -
REFRESHMENT CONCESSION,
SHARON BUILDING, GOLDEN GATE PARK:

On motion of Vice President Friend,
seconded by Commissioner McAteer, the
following resolution was adopted:

RESOLUTION NO. 9587

RESOLVED, that this Commission does hereby
award the contract for operation of the
refreshment concession at the Sharon
Building, Children's playground, Golden
Gate Park, to S and S Catering Company
at a rental of 14.25% for a period of
three (3) years; and

FURTHER RESOLVED, that the General
Manager, and or the Business Manager and
the Secretary, are hereby authorized to
execute the necessary agreement.

16. CANDLESTICK PARK:

Mr. Frank J. Soriano of Blyth, Eastman, Dillon and Company, Inc., who was present at the meeting, stated that the refinancing of the Recreation Center Revenue Bonds, Series A and B, relating to Candlestick Park, could save the City from two to three million dollars, and would reduce the annual payment the City is required to make.

In response to an inquiry by President DiGrazia, Mr. Soriano stated that the saving resulting from the refinancing could only be used to reduce the debt service and not for any improvements, according to the resolution adopted by the Board of Supervisors, No. 780-73.

On motion of Vice President Friend, seconded by Commissioner Thomas, the following resolution was adopted:

RESOLUTION NO. 9589

RESOLVED, that this Commission does hereby approve refinancing of the Recreation Center Revenue Bonds, Series A and B, relating to Candlestick Park Stadium, pursuant to Board of Supervisors Resolution No. 780-73.

RECREATION AND PARK COMMISSION
CITY AND COUNTY OF SAN FRANCISCO

RESOLUTION OF APPRECIATION

MARY B. CONNOLLY

WHEREAS, the retirement of Mary B. Connolly as Executive Secretary to the General Manager on March 31, 1974, marks the completion of 15 years of outstanding public service and loyal dedication to the Recreation and Park Department and 19 years of distinguished employment with the City and County of San Francisco; and

WHEREAS, Mary B. Connolly was appointed Secretary to the Recreation and Park Commission by General Manager Raymond S. Kimbell on April 5, 1962 and subsequently served with distinction under James P. Lang, General Manager, Edward A. McDevitt, Acting General Manager, and, most recently, under Joseph Caverly, General Manager; and

WHEREAS, Mary B. Connolly's unique combination of gracious manner, thoroughness, dependability, intelligence and competence is to a large measure responsible for the successful terms as President of the Recreation and Park Commission enjoyed by Walter A. Haas, Elvin C. Stendell, Walter Shorenstein and Loris DiGrazia, and she has contributed through her untiring efforts to assisting each individual who has served during this period as a member of the Recreation and Park Commission; and

WHEREAS, the loyalty and dedication which have characterized all of Mary B. Connolly's acts have confirmed in the minds of each member of this Commission that she is a person of the highest ideals and a public servant of the greatest distinction; now, therefore, be it

RESOLVED, that the members of this Commission, having enjoyed a very close and extremely harmonious relationship with Mary B. Connolly, and having relied on her judgment and counsel on numerous occasions, do hereby express to her sincere appreciation for the superb manner in which she has consistently exercised both her responsibilities and also innumerable additional tasks at the suggestion of the members of the Commission; and

FURTHER RESOLVED, that a suitable copy of this Resolution be tendered to Mary B. Connolly as an expression of the sincere wish of every Commissioner with whom she has worked that she, in the company of her charming and distinguished family may enjoy the fullest measure of health, happiness and success in all her pursuits for many rewarding years to come.

2. REPORT BY GENERAL MANAGER:

Mr. Caverly introduced three Assistant Superintendents of Recreation - Mr. Hal Flinn, Mr. Ronald Juvland and Mr. Leonard Fitzpatrick. Mr. Caverly noted that two additional Assistant Superintendent of Recreation positions had been established as a result of the Plan for Action. Civil Service examination procedures were recently completed. Mr. Caverly wished success to these gentlemen. He called upon Mr. Fitzpatrick and Mr. Juvland to display and explain an organizational chart. It was stated that this re-organization plan would bring about better efficiency and had been done without additional cost to the Department. On behalf of the Commission, Commissioner McAteer congratulated the new Assistant Superintendents.

Mr. Caverly discussed the status of the Capital Improvement Program and announced the release of appropriations that had been held by the Board of Supervisors. Mr. Caverly advised that he and staff appeared before the Budget and Governmental Efficiency Committee and obtained the release of \$2,994,887.33 of the \$3,176,625.86 in "Frozen Appropriations". Mr. Caverly expressed his appreciation to the Board of Supervisors. He then distributed a report on the Budget.

Mr. Caverly described the Second Annual Special Olympics for the Mentally Handicapped co-sponsored by the Joseph P. Kennedy, Jr. Foundation and the San Francisco Recreation and Park Department. Track and Field events were held on Saturday, April 20, 1974, at Kezar Stadium. The Swim Meet was held at Balboa Pool on the following Saturday, April 27, 1974. He then called upon Mr. Edward R. Kelly, head of the Handicapped Services Division of the Recreation and Park Department, to give a report on the handicapped program. Mr. Kelly stated that the public support was

excellent and commended the Meet Directors, Arletha Seiffert and Janie Redmond, for their outstanding work. President DiGrazia complimented the Special Olympics, stating that it is a very important function and has 100% support of the Recreation and Park Commission. President DiGrazia commended Mr. Edward R. Kelly for his most outstanding efforts.

Mr. Caverly announced a Track Meet sponsored by Atlantic-Richfield (ARCO) that will be held at Kezar Stadium. The Track Meet will be under the direction of former Olympic Champion, Jesse Owens. The General Manager called upon Mr. Hal Flinn, Assistant Superintendent of Recreation, to describe the event. Mr. Flinn advised that the Track Meet would be held on August 10, 1974, and that Mr. Edward B. Bell, former Philadelphia Eagles Tackle, would coordinate the program. The Commission was advised that a Press Conference will be scheduled in the near future to describe the ARCO Track Meet.

Mr. Caverly announced that the Sanwa Bank had donated Ten Thousand Dollars to the Friends of Recreation and Parks for expansion of the Moon Viewing Pavilion in the Strybing Arboretum. Mr. John Bryan, Director of the Arboretum, is coordinating plans. Pictures were distributed of the check presentation ceremony held on April 9. Commissioner McAteer requested that a letter of appreciation be sent to the Sanwa Bank.

The General Manager distributed a Press Release describing a program that has reclaimed land in Golden Gate Park through installation of curbing along park drives. Mr. Emmett O'Donnell, Superintendent of Parks, indicated that approximately 124,000 square feet of lawn border was reclaimed recently. He explained that the curbing project either has eliminated automobile parking on lawn areas or has made it possible to eliminate rocks which were used in some areas to discourage parking. He also pointed out that this curbing has also eliminated a definite maintenance problem. Vice President Friend complimented the program and inquired if they planned to black-top from 19th Avenue to 25th Avenue. Mr. O'Donnell explained that this is a park road and they are looking into that possibility.

2. REPORT BY GENERAL MANAGER: (CONTINUED)

Mr. Caverly discussed the adverse publicity in the newspapers recently regarding the Martin Luther King Pool at Bayview Playground. He advised that this is an open pool and not in year-round use, due to the weather. Currently under construction at Bayview Playground is a \$63,000 project to install new play apparatus and safety fencing. He then called upon Mr. Hal Flinn, Assistant Superintendent of Recreation, to report on the pool. Mr. Flinn advised that the pool closed on March 19th because of earth moving equipment causing dirt to get in the pool and that the filters could not handle it. He expressed optimism that the pool will open by summer vacation, if not before. Vandals drove a piece of earth moving equipment into the pool; damage estimates have not been determined. Vice President Friend asked if the contractor would be responsible for any damage and Mr. Flinn advised that the contractor is fully insured. President DiGrazia inquired about attendance, and Mr. Flinn advised that the University of San Francisco Summer Sports Program will be utilizing the pool. Mr. Caverly advised that this pool is run without a budget even though funds have been requested for its operation.

Mr. Caverly announced the Serendipity Singers Television Special, "Live from San Francisco", to be shown on KRON TV, Channel 4, on May 28, 1974, from 9:00 to 10:00 p.m. "Star" of the Program is the San Francisco Recreation and Park Department; facilities shown include Stern Grove, Palace of Fine Arts, Union Square, Stow Lake and the Conservatory. Vice President Friend suggested that this be given the proper publicity.

The General Manager stated that \$60,000, which includes \$25,000 received from the Zoological Society, is available for preparation of the Zoo Master Plan. He distributed a letter that is being sent to prospective Architects and Planners inviting proposals. This letter details the work elements to be included in the Master Plan.

Mr. Caverly requested a Resolution from the Commissioners authorizing staff to prepare and submit applications for Land and Water Conservation Fund Grants to the State of California for improvements to Golden Gate Park and John McLaren Park. It is hoped that local matching funds may

3. COMMISSION COMMITTEE REPORTS:

Commissioner McAteer complimented the diverse programs of the Department and particularly mentioned the successful Special Olympics, May Day at Parkside Playground, Easter egg hunts at the playgrounds, Boys and Girls Tennis Tournaments, Girls' Net Ball and Men's and Women's Softball events. She also advised that she met with a West Portal Playground Committee regarding BART construction plans that will affect this facility. Another meeting is scheduled in about two weeks. Commissioner McAteer advised that her meeting at West Portal School last Monday night was very beneficial.

Commissioner Dominguez reported on the May 7th dedication of the Alice Eastwood Garden, located in the Strybing Arboretum, that was donated by the San Francisco Garden Club. She met with the African Violet Society. Miss Edith Peterson of San Francisco was elected recently as President of the American Society.

Mr. Mel Ury, Assistant to Executive Director, Redevelopment Agency, and Mr. Richard Beckman, Director, Architecture, Housing and Urban Design, Redevelopment Agency, presented final plans for Phase 2, Justin Herman Plaza. Discussion centered on the need to provide an adequate landscape maintenance period. Prior to acceptance of this property by the Recreation and Park Department, Mr. Emmett O'Donnell, Superintendent of Parks, recommended a 90 day maintenance period after completion of construction with an additional 30 days to follow final inspection.

On motion of Vice President Friend, seconded by Commissioner Thomas, the following resolution was adopted:

6. GOLDEN GATE PARK -
SENIOR CITIZENS' CENTER
(LE ROY VANE BEQUEST):

Commissioner Thomas reported on the history of the LeRoy Vane Bequest and explained that in February, 1966, the Recreation and Park Commission accepted the bequest of LeRoy H. Vane as provided in his will, to build a Senior Citizens' Center in Golden Gate Park. He recommended that the Commission rescind its previous designation of the 6th Avenue site and that the bequest be utilized for the remodeling, rehabilitation and expansion of the present Golden Gate Park Senior Citizens' Center at 37th Avenue and Fulton Street.

Mr. Jack O. Paull, representing the Golden Gate Citizens' Center, spoke as a proponent and suggested two phases - 1) Remodel; 2) Expansion. He offered his services to the Recreation and Park Commission and to Mr. Caverly, hopefully before the end of this year.

Mr. Conrad Rheiner, San Francisco Commission on the Aging, read a letter dated May 9, 1974, written to Mr. DiGrazia from Mr. William McCabe, Chairman, Commission on the Aging.

Colonel M. A. Fellhauer (Ret.), American Association of Retired Persons, Chapter 1032, supported the position of the Commission on the Aging but stated that

he does not feel that the center should be expanded, but he said there is a definite need for Senior Citizens' facilities downtown, particularly east of Van Ness Avenue.

Mr. Ward Denman, San Francisco Senior Legislative Council, advised that he speaks for the Greater Mission Democratic Club. He supported Commissioner Thomas' proposal but was concerned that an unlimited sum could be spent if the present building were expanded. He said that expansion within the structure will increase twice the existing floor space.

Mr. Denman urged the Commission to rescind the previous action regarding 6th Avenue and support remodeling 37th Avenue within the existing structure.

Commissioner McAteer stated that the original amount of the bequest was \$450,000 and inquired what it was today. Mr. Paul Yuke advised that as of March 31, 1974, total value amounted to \$568,397.

On motion of Commissioner Thomas, seconded by Commissioner Dominguez, the following resolutions were adopted:

RESOLUTION NO. 9606

Mr. Richard Hutson, student, Hastings Law School, disagreed that the center need be built in Golden Gate Park. He cited a City Attorney's Opinion to this effect. Mr. Hutson expressed his strong belief that the money should be spent in areas with high concentrations of poor or ethnic Senior Citizens. President DiGrazia stated that if the funds were diverted to a site other than Golden Gate Park that the heirs to the estate would

seek a return of the funds. Commissioner Friend noted it was his belief based on four years of discussions involving the City Attorney's Office that the Commission had no choice but to expend the money in Golden Gate Park. He stressed the Commission's empathy with the needs for Senior Citizens throughout San Francisco. Commissioner Friend noted that the Commission's obligation was to build the finest facility possible within available funds. This could be enjoyed by all, particularly if private transportation could augment public transit. He mentioned the mini buses used by Recreation Center for the Handicapped. Mr. Ward Denman then suggested that a committee be appointed to handle the Vane Estate and take the responsibility for any recommendations.

Mr. Caverly referred to a memorandum to the Commission dated August 7, 1969, which on Page 5, Section B, Item 2, explains basic engineering and architectural problems related to the rehabilitation of the 37th Avenue and Fulton Street site. The objective is to provide a major center that could serve a cross section of Senior Citizens' needs. The chief requirement is a large, multi-purpose assembly room. The 29 ft. width of the existing structure would not accommodate this key element, therefore it is imperative to not only remodel but also expand the Golden Gate Senior Citizens' Center if there is to be a successful use of the money in Golden Gate Park. There is no way that the 650 present members can be accommodated in the existing building. The General Manager called on Mrs. Elean Thomas, Recreation Supervisor, Senior Citizens, who spoke of the need to plan properly for the aging population.

On motion of Commissioner Thomas, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9609

RESOLVED, that this Commission does hereby approve the expenditure of the LeRoy Vane Bequest for the remodeling, rehabilitation and expansion of the Senior Citizens' Center at 37th Avenue and Fulton Street.

26. ACCEPTANCE OF GIFT:

The General Manager reported that Mr. Walter H. Shorenstein, former President of the Recreation and Park Commission, had pledged \$50,000.00 to the Friends of Recreation and Parks for the rehabilitation of the Children's Playground in Golden Gate Park. This gift is in honor of Mary B. Connolly, recently retired Secretary to the Commission. The General Manager noted that the Children's Playground may be the oldest public playground in the United States. It has played an important role in the lives of innumerable San Franciscans. It is the Department's expectation that Mr. Shorenstein's gift, together with

that of the donor who wishes to remain anonymous, will enable the playground to become again the outstanding playground in the City. Mr. Caverly reported Mr. Michael Painter had been selected as Landscape Architect and was already at work. Commissioner McAteer suggested and the General Manager concurred that the Children's Playground would benefit if a Recreation Director were assigned to it. Commissioner McAteer recommended, and the entire Commission agreed, that a letter of appreciation be sent to both donors.

On motion of Commissioner Dominguez, seconded by Vice President Friend, the following resolution was adopted:

RESOLUTION NO. 9628

RESOLVED, that this Commission does hereby accept a gift of \$40,000.00 from a donor who prefers to remain anonymous, in honor of Mary B. Connolly, for rehabilitation of the Children's Playground, Golden Gate Park; and

FURTHER RESOLVED, that an appropriate letter of thanks be sent to the donor.

27. PROPOSITION 1 - ENDORSEMENT:

On motion of Commissioner Johnson, seconded by Commissioner Thomas, the following resolution was adopted:

RESOLUTION NO. 9629

RESOLVED, that this Commission does hereby approve the endorsement of Proposition 1, the \$250,000,000 State Beach, Park, Recreational and Historical Facilities Bond Act of 1974, that appears on the June 4, 1974, State Election Ballot.

**28. SUPPLEMENTAL APPROPRIATION -

29. CANDLESTICK PARK:

A movie was shown on advertising for
Candlestick Park - a new concept in
advertising by Transportation Dis-
plays, Inc. (T.D.I.).

Mr. Gray Creveling, Promotion Direct-
or, Candlestick Park, distributed a
statistical information sheet which
was explained by Mr. Victor Bacigalupi,
Jr., Vice President, T.D.I.

Vice President Friend inquired if any
other football stadiums use this form
of advertising, and Mr. Bacigalupi
displayed photographs to this effect.

President DiGrazia appointed a
Committee of President DiGrazia, Com-
missioner Thomas and Commissioner
Friend, who would consult with Mr.
Creveling. He asked Mr. Creveling to
arrange a meeting with the Stadium
tenants. This proposal would be
further discussed at the next Recrea-
tion and Park Commission meeting.
Commissioner Thomas suggested that the
Art Commission's feeling on this
should be considered.

AND STAFF:**

**1. VISITACION VALLEY
RECREATION FACILITIES:**

President DiGrazia recognized Mr. John Arnott, Co-convenor of the Recreational Committee, All People's Coalition, Visitation Valley. Mr. Arnott and twenty-three (23) members of the All People's Coalition arrived prior to the regularly scheduled meeting. As spokesman for the group, he requested to be acknowledged to read a prepared statement. Mr. Arnott read this statement, which outlined numerous grievances, including delay in leasing property from Sunset Scavenger Company, slowness in expending revenue sharing monies budgeted for recreational improvements in Visitation Valley and the establishment of a new Civil Service classification for community recreation workers.

President DiGrazia asked the General Manager to report on these issues, but the group left the meeting without allowing him the opportunity to respond.

Vice President Friend expressed concern that these accusations were made without extending the courtesy of rebuttal.

Mr. Caverly, General Manager, advised that he would cover this in the General Manager's report.

President DiGrazia announced that the meeting would proceed but added that he publicly apologizes to the General Manager for the rudeness shown him.

2. REPORT BY GENERAL MANAGER:

A. Mr. Joseph Caverly, General Manager, reported the following:

- (1) The Recreation and Park Department Summer Program opens Monday, June 17 with intensive and diversified neighborhood activities planned.
- (2) The Finance Committee has restored the critically-needed funds to operate the Summer Program.
- (3) Camp Mather opens June 15 and the season lasts through August 31.
- (4) Three key members of the Recreation Division staff are retiring during the month:

2. REPORT BY GENERAL MANAGER: (CONTINUED)

Sue Dorsey, Supervisor of Drama and Dance, served 37 years with the Department.

Charles Faulkner, Supervisor of Men's Athletics, served 35 years.

Bob Schumacher, Area Supervisor, served 21 years.

The Commission directed that a letter of commendation be sent to each.

- B. Mr. Caverly introduced Mr. William Gray, Harbormaster, who gave a report on the Marina Small Craft Harbor. He detailed conditions and the problems faced at the Yacht Harbor and announced the progress being made on a variety of improvements to the existing facility.

Commissioner Thomas complimented Mr. Gray for his report and his accomplishments.

- C. In response to the complaints registered by the All People's Coalition, Mr. Caverly reported to the Commission on recent Department efforts to improve facilities and services in the Visitation Valley Area. He noted that he and staff members had attended several constructive meetings with the All People's Coalition, both at McLaren Lodge and in Visitation Valley.

Mr. Caverly indicated that the following steps had been taken:

(1) A new position, of Neighborhood Recreation Specialist, was approved by the Board of Supervisors, after considerable effort. This was a major request of the All People's Coalition. This pilot program is now under way. Working with the All People's Coalition, Mr. Fred Auda, who is doing an outstanding job in the community, was selected.

(2) A contract has been awarded in the amount of \$13,400.00 for the rehabilitation of the Visitation Valley Playground clubhouse.

(3) Design of the rehabilitation of the Visitation Valley Playground children's area is well under way. This work is expected to cost approximately \$57,000.00; schematic plans have been approved by the Recreation Committee of the All People's Coalition.

2. REPORT BY GENERAL MANAGER: (CONTINUED)

(4) The Department has acceded to a request of the All People's Coalition to reserve a portion of the playground for a play construction project to be created by the Coordinator and children from the neighborhood.

(5) The fence at Hertz Playground basketball court was promptly replaced, as promised to the All People's Coalition.

(6) The City's Real Estate Department has submitted to attorneys representing the Sunset Scavengers a proposed lease and map of the Little Hollywood Park. The lessor has recently raised certain questions which Mr. Thomas Malloy detailed, including the need to clarify the effect of the proposed lease on the outstanding mortgage on the property. Fencing of the property to be financed from the Revenue Sharing Appropriation is expected to cost \$12,000.

(7) Staff has worked cooperatively with the All People's Coalition to assist in the selection of a Recreation Director to serve Geneva Towers. This position will be funded by the management of the housing complex.

At Mr. Caverly's request, Mr. Ron Juvland Assistant Superintendent of Recreation, noted that the additional park site adjoining the Geneva Towers that was referred to by Mr. Arnott is partially in San Mateo County.

In summary, Mr. Caverly noted that very real progress has been made in improving the quality of recreation services in Visitation Valley. He said that the past two years an on-going and constructive working relationship had been established with the All People's Coalition. Despite Mr. Arnott's intemperate remarks, it was Mr. Caverly's firm conviction that this relationship would continue. The Commission was assured that staff will continue to make every effort to improve services in Visitation Valley. However, he stressed that the Department's responsibilities extend to every neighborhood in the City, and that it would be impossible to favor one neighborhood at the expense of others.

Mr. Caverly distributed to the Commission copies of his June 12, 1974 letter to the All People's Coalition detailing recent efforts made by the Department, together with the expenditure schedule for the \$90,000 Revenue Sharing Appropriation, as well as a report on the activities of Mr. Fred Auda, Neighborhood Recreation Specialist.

3. COMMISSION COMMITTEE REPORTS:

Commissioner McAteer reported on the press conference and luncheon held at the Fairmont Hotel on Thursday, June 6, to announce the track meet scheduled for August 10 at Kezar Stadium. The event is sponsored by Atlantic-Richfield Co. (ARCO), under the direction of former Olympic Champion, Jesse Owens. Commissioner McAteer said that Jesse Owens is indeed a credit to the sport in which he excelled, and that he personally expressed his gratitude to this Department for hosting the track meet.

Commissioner McAteer reported on the eighteenth annual meeting and night tour of the San Francisco Zoo held on Friday, May 31. She commended Mr. John J. Spring, Director of the Zoo, for the success of the event.

Commissioner Johnson commented on the mini-park problem that was discussed by Mr. John Arnott of the All People's Coalition. Commissioner Johnson said that the Recreation and Park Department has never received budget funds for mini-park maintenance. The neighborhood communities must get involved and interested in their upkeep and in the prevention of vandalism.

Commissioner McAteer reported on the "plant-in" event at Bernal Heights. She explained that this community involvement of planting and beautifying the entire hillside is a project that is done with a great deal of pride. She stated that this is such a credit to the City and Bernal Heights' way of letting the City know that they really care.

MUSIC CONCOURSE AND BIG REC:

Mr. Jerry Siegel, representing Servomation Duchess, explained that the Award of Contract for establishing and operating refreshment concessions in the Music Concourse and the area adjacent to the Handball Court at Big Rec, should be awarded to his firm inasmuch as it was the successful bidder for these concessions.

Mr. Leonard Berger, Attorney, representing S & S Catering, explained that his client had not started from the same position as other bid competitors. He alleged that Servomation Duchess had advance knowledge of the menu and building plans of S & S Catering prior to bidding. Mr. Berger stressed fairness. Mr. Siegel responded that any facts known to Servomation Duchess were in actuality public information.

Commissioner Thomas advised that he had met with the Architect, as well as Mr. Robert Kenealey, Deputy City Attorney, and Mr. Leonard Berger, and concluded that the Award of Contract should go to Servomation Duchess.

Commissioner Johnson made a motion to award the contract to Servomation Duchess, seconded by Commissioner Thomas. President DiGrazia requested a vote. On the motion, the vote was:

Ayes: Commissioners Dominguez, Johnson,
Thomas.

Noes: Commissioners DiGrazia, Friend,
McAteer, Sabella.

President DiGrazia ruled that the Award of Contract to Servomation Duchess be denied. He suggested that Mr. Kenealey, Deputy City Attorney, look into the matter and give legal advice on procedure.

**COMMISSION COMMITTEE
AND STAFF:**

1. REPORT OF THE GENERAL MANAGER:

Mr. Joseph Caverly, General Manager, announced that the Recreation and Park Department is sponsoring a special program of 10 soccer clinics that will start in July. He expressed his gratitude to the Mayor's Office for the \$1,000.00 contributed from the Mayor's Youth Fund to assist in underwriting the program. Mr. Caverly stated that Mr. Will Lotter, faculty member of the Physical Education Department, University of California at Davis, will be the soccer coach, and expressed confidence that the soccer clinics will undoubtedly be an outstanding feature of this summer's recreation program.

The General Manager announced the retirement of three dedicated volunteers and asked the Commission to approve the presentation of Certificates of Appreciation for each of these public spirited citizens:

Mr. Harold Harcourt, former waterfowl guardian, Palace of Fine Arts, who devoted time and effort to the preservation and care of wildlife and waterfowl at the Palace of Fine Arts Lagoon for 10 years.

Mr. Edgar Stone, retired as Chairman of the Board of the San Francisco Zoological Society on July 1, 1974, after years as an officer of the Society. During Mr. Stone's leadership of the Society, he helped initiate many improvements that make the San Francisco Zoo the outstanding facility that it is today.

Mrs. Pat Sonnenberg, past President of the Docents Council of the San Francisco Zoological Society, who organized the Docent Program and contributed to the further development and improvement of the San Francisco Zoo.

Mr. Caverly reported on the Summer Youth Employment, and was pleased to announce that it is progressing well. He noted the assistance received from the Federal Summer Support Program.

2. COMMISSION COMMITTEE REPORTS:

Commissioner Thomas reported on Candlestick Park and announced that Mr. Gray Creveling, Promotion Director, has met with representatives of the Department of City Planning and the Art Commission to work out the details for the Transportation Display, Inc., advertising plan. He explained that Mr. Creveling submits daily logs to this department which detail his activities.

Commissioner Johnson reported on the status of the Mini-Parks and noted that the Summer Youth Program was progressing very well.

Vice President Friend stated that he had visited Camp Mather and commended the staff for their dedication and expressed his hope that every effort would be made to upgrade the facilities.

Vice President Friend recommended that the bids submitted for the Refreshment Concessions at the Music Concourse and Big Rec be rejected and that the invitation to bid be readvertised.

On motion of Vice President Friend, seconded by Commissioner Thomas, the following resolution was adopted:

RESOLUTION NO. 9677

RESOLVED, That this Commission does hereby reject all existing bids for the Award of Contract for establishing and operating Refreshment Concession in the Music Concourse and in the area adjacent to the Handball Court at Big Rec; and

FURTHER RESOLVED, That the invitation to bid for these concessions be readvertised.

3. APPROVAL OF AGREEMENT - GOLDEN GATE NATIONAL RECREATION AREA:

Mr. Caverly commented on the proposed agreement between the United States of America, acting through the Department of Interior, National Park Service, and the City and County of San Francisco, relative to certain municipally owned park lands which may subsequently be transferred by deeds of donation from the City to the National Park Service for inclusion in the Golden Gate National Recreation Area.

Mr. Caverly introduced Mr. Jack Wheat, Chief, Special Projects, who is the Assistant to Mr. William Whalen, General Superintendent, Golden Gate National Recreation Area. Mr. Caverly explained the provisions of the agreement. He particularly called to the Commission's

3. APPROVAL OF AGREEMENT - (CONT'D)
GOLDEN GATE NATIONAL RECREATION AREA:

attention Paragraph 5 relating to Sand Incursion. This section provides that "Subject to the availability of funds and within a reasonable time not to exceed eight (8) years, the UNITED STATES shall in good faith take reasonable measures to prevent the incursion of sand upon roadways adjacent to lands transferred by the CITY." This problem is related to Section 7 governing Lateral Support of the Great Highway.

The General Manager explained that transfer cannot take place until deeds for the individual parcels are prepared. He recommended that the Commission approve the subject agreement in principle.

Mr. Caverly called upon Mr. Jack Wheat to give further explanation. Mr. Wheat said that his agency has spent months working on this locally before sending it on to Washington. He said that the Attorney General of the United States cannot accept deeds with reverter clauses; some additional items are being questioned in Washington, but that these policy matters should be remedied soon. He added that the Department of Interior hopes to introduce legislation so that reverter clauses may be permitted.

Mr. Rene Chateau, Deputy City Attorney, was introduced and explained further on the need for a reversionary clause. He said that if the land is not used as a park, it would revert to the City and County. This procedure is required by the Charter Amendment approving transfer of certain City Park lands to the Federal Government for incorporation in the Golden Gate National Recreation Area.

Commissioner Dominguez noted that paragraph 10 of the agreement referred to a document that is not in existence.

Mr. Rene Chateau answered that the deeds are not yet prepared.

Commissioner Dominguez advised that the restrictions must be spelled out or we would be giving all our property away.

Mr. Chateau explained that the agreement does not promise to transfer anything. President DiGrazia asked if the agreement was reviewed and approved by the City Attorney's Office and Mr. Chateau answered to the affirmative.

Vice President Friend said he would move to approve in principle subject to any changes for further approval and reversionary rights to be more fully spelled out.

22. SUPPLEMENTAL APPROPRIATION -
WINDMILLS, GOLDEN GATE PARK:

Mr. Caverly explained that the original amount of request for the Supplemental Appropriation for the repair of the North Mill was in the amount of \$203,000. At the last meeting of the Capital Improvement Advisory Committee it was suggested that some funds that were available, including private donations, should be used for these repairs and requested that the Recreation and Park Department reduce its Supplemental Appropriation requested to the amount of \$174,000. The General Manager expressed the hope that some funding would be received from the Bicentennial Committee and volunteer labor will possibly be supplied by the SeaBees at Treasure Island, in an effort to rehabilitate the windmills.

Vice President Friend expressed his full support for this project and advised that at least one Windmill should be operational for the City's Twin-Bicentennial Celebration.

Later in the meeting, Mr. Caverly introduced Mrs. Allison Crabtree who heads the "Save the Windmills Committee." She expressed her gratitude to the Department for their support in this endeavor.

RESOLUTION NO. 9717

RESOLVED, that this Commission does hereby approve submission of a Supplemental Appropriation to the Mayor, the Board of Supervisors and the Controller in the amount of \$174,000.00 for the restoration of the windmills in Golden Gate Park.

COMMISSION COMMITTEE
AND STAFF:

1. REPORT OF THE GENERAL MANAGER:

Mr. Caverly expressed his gratitude for one of the most successful Summer Recreation Programs he has encountered during his tenure as General Manager. He circulated a copy of a memorandum to the Commissioners and all personnel describing "Summer '74" which congratulated every member of the Recreation and Park Department for their outstanding contribution to the Summer Program, despite budget limitations.

The General Manager called upon Mr. Joseph Misuraca, Superintendent of Recreation, who detailed some of the highlights of the successful summer activities.

Mr. Caverly announced that despite tremendous personal efforts by Kurt Herbert Adler, General Director of the San Francisco Opera, it will not be possible this year for the Friends of Recreation and Parks to present an Opera Concert in Golden Gate Park. Mr. Adler is anxious to make this an annual event and is confident that artists of international stature can be obtained for next September.

Mr. Caverly advised that although attendance was lower than the record 1973 season, revenues at Camp Mather were up \$13,865 over the previous year. He congratulated Mr. Dick Minderman, Camp Manager, Miss Barbara Tothoroh, Assistant Camp Manager, and Mr. Bob Murray, Maintenance Supervisor, for their efforts in making the program at camp such an outstanding success.

The General Manager announced a Conference "Tools and Techniques to Measure the Effectiveness of Recreation Programs" that will be held at the Hall of Flowers on September 24. Several staff members will attend. Mr. Caverly advised that he has been invited to participate in a panel describing the Plan for Action. The conference will be repeated on Saturday, September 28, in Malibu, so as to enable professionals from Southern California and Arizona to attend. The conference is co-sponsored by the Department in cooperation with the Bureau of Outdoor Recreation (Department of Interior), the National Recreation and Park Service and the California Park and Recreation Society.

1. REPORT OF THE GENERAL MANAGER: (CONTINUED)

Mr. Caverly discussed the problem of helicopters flying at low altitude over Candlestick Park, and at his request, and with the cooperation of the Airport staff, SFO Helicopters, Inc. has formally notified all pilots to stay away from the Stadium and has banned any over-flights during any athletic contest.

Mr. Caverly commended the staff for their outstanding effort in making the Jesse Owens-ARCO Track Meet such a success at Kezar Stadium on Saturday, August 10. He said the Department is indeed proud of having been a co-sponsor of this event.

The General Manager reported on the progress of the San Francisco Zoo and was pleased to announce that construction of the long-awaited animal hospital is now 90% complete.

Vice President Friend invited a resolution complimenting the staff for their successful accomplishments in the summer program.

On motion of Commissioner McAteer, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9719

RESOLVED, that this Commission does hereby commend the members of the Recreation and Park Department for the outstanding job done to provide the highest quality recreation services to the people of San Francisco during the 1974 Summer Recreation Program.

2. COMMISSION COMMITTEE REPORTS:

Commissioner McAteer reported on her interesting visit to Silver Tree Day Camp this summer. She said the children were captivated by the Zoomobile and complimented the very capable volunteers. She advised that this is a beautiful expression of involvement -- getting the animals to the youngsters. Commissioner McAteer also advised that with the assistance of Mr. Art Blum the Cory Galleries would help advertise the activities of the Arts and Crafts Division.

Commissioner Sabella reported on the progress of the golf courses, particularly the excellent condition of Harding Park Golf Course. Mr. Emmett O'Donnell advised that these noticeable improvements are due largely to the efforts of Mr. David Del Carlo, Assistant Director of Golf Course Maintenance.

Commissioner McAteer commended Mr. Del Carlo for his enthusiasm and dedication in maintaining the greens.

THE ANTHROPOLOGY OF THE
FUTURE

THE ANTHROPOLOGY OF THE FUTURE is a subject which has of late years attracted much of the public attention, and it is not surprising that it should have done so. The progress of science and the discovery of the laws of nature have led us to expect that the future will be a more rational and more perfect world than the present.

It is not, however, the progress of science which alone has led to this expectation. The progress of civilization, the discovery of the laws of society, and the discovery of the laws of the human mind, have all contributed to it. We are now beginning to see that the future is not a mere continuation of the present, but a new world, a new order of things.

3. PARK SQUARES, PLAYGROUNDS, RECREATION AREAS:

Mr. Caverly expressed concern over the use of Park Squares, Playgrounds and Recreation Areas for mechanical rides and commercial carnivals. He explained that there have been many complaints from citizens over the tearing up of grass and oil spills on the property. He advised that the normal use of park property is for recreation activity and that the general users of the parks must be protected.

Mr. Emmett O'Donnell, Superintendent of Parks, advised that this type of activity is increasing and causes maintenance and security problems. The General Manager recommended that a resolution be adopted to prevent improper use of these recreation areas. He suggested that the two requests received prior to this Commission Meeting should be awarded because the sponsors had utilized this type of activity for several years.

Vice President Friend acknowledged Mr. John Tarantino, Chairman, Columbus Day Carnival, to express his views. Mr. Tarantino advised that he has been Chairman of this event for the past eight years and has not been aware of any security problems.

Vice President Friend advised that the basic reasoning for the proposed restriction is the exclusion of the people who normally use this property for recreational purposes.

On the recommendation of the General Manager, and on motion of Commissioner Johnson, seconded by Commissioner Sabella, the following resolution was adopted:

RESOLUTION NO. 9720

RESOLVED, that this Commission does hereby amend its policy on the issuance of permits adopted November 9, 1973, to prohibit the use of any recreation and park facility for commercial mechanical rides and amusement devices, and that this policy will not affect neighborhood fairs and festivals; and

FURTHER RESOLVED, that the two requests received before this date will be so honored.

6. SUPPLEMENTAL APPROPRIATION -
PERSONAL SERVICES, VISITACION VALLEY:

Mr. Caverly reported that Mr. Fred Auda, Neighborhood Liaison Specialist, Visitacion Valley, had performed his duties in an extremely competent and effective manner. He referred to Page 34, Item 27 of the Calendar which noted a letter of commendation from Mr. John Bernard, Head Teacher, Visitacion Valley Summer School. Mr. Caverly asked that a six months' extension be given to Mr. Auda so he can continue this most critical work.

Vice President Friend acknowledged Ms. Barbara Ann Sickinger, Visitacion Valley Recreation and Park Committee. Ms. Sickinger read a statement from the Geneva Towers Tenants Association Recreation Director, Mr. Vernon Long. Mr. Long expressed his appreciation to Mr. Auda for his interest and concern for the welfare and physical behavior of the people in Visitacion Valley.

On the recommendation of Mr. Caverly, and on motion of Commissioner Johnson, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9723

RESOLVED, that this Commission does hereby approve submission of a Supplemental Appropriation to the Mayor, the Board of Supervisors and the Controller in the amount of \$6,600.00 for extension of Agreement with Mr. Fred Auda for his services as a Neighborhood Liaison Specialist, Visitacion Valley, for a period of six (6) months.

7. SUPPLEMENTAL APPROPRIATION -
JOSEPH LEE RECREATION CENTER:

Mr. Caverly reported that \$130,000 is required for Phase II of the Joseph Lee Recreation Center. He explained that funds in the amount of \$112,000 were appropriated in the Fiscal Year 1973-74 for Phase I of this project and all but \$3,000 of this appropriation is fully committed. The General Manager asked that these funds be provided on an emergency

11. EXTENSION OF LEASE -
CIVIC CENTER PLAZA GARAGE:

Vice President Friend acknowledged Mr. Arthur S. Becker, Director, Parking Authority, who explained that the original City Lease ran from December 2, 1958 through February 28, 1975. Mr. Becker advised that the rental of \$285,000 per year will remain the same and will be sufficient to meet the debt service charge of the San Francisco Civic Plaza Parking Corporation, a non-profit corporation formed to issue bonds for the construction of the garage. He explained that this extension of lease has been approved by the Parking Authority, the Chief Administrative Officer, the Director of Property, the City Attorney, the City of San Francisco Civic Plaza Parking Corporation, and

14. AMENDMENT TO CONTRACT -
MISSION NEIGHBORHOOD PHYSICAL
DEVELOPMENT RECREATION PROGRAM:

Commissioner Dominguez requested an explanation on the amendment to the contract. Mr. Misuraca, Superintendent of Recreation, advised that the wording is the same as the contract approved by the Commission a year ago.

Vice President Friend acknowledged Mr. Michael Griffin, Model Cities. Mr. Griffin said that the amendment enables the project to continue for the period of July 1, 1974 through October 31, 1974.

Mr. Misuraca said that he feels that we have an obligation to the Mission District to continue this program.

Vice President Friend complimented Mr. Carlos Navarro, Project Director, Mission Neighborhood Physical Development.

On motion of Commissioner McAteer, seconded by Commissioner Johnson, the following resolution was adopted:

RESOLUTION NO. 9730

RESOLVED, that this Commission does hereby approve the request of the Mission Neighborhood Physical Development Recreation Program to amend the Model Cities Contract and accompanying Work Order extending the relationship between the Commission and the Archdiocese of San Francisc, Inc. for the period of July 1, 1974 through October 31, 1974, inclusive.

15. HANG GLIDERS -
PROHIBITION OF USE:

Because thirteen concerned proponents requested to be heard, Vice President Friend requested each speaker observe a two-minute limitation.

Mr. Dwight H. Reynolds, representing Eagle Wings and Creative Interracial Education Foundation, advised that he would be for the prohibition if it were a valid amendment. However, he explained that Hang Gliders are a growing sport and people of all ages are desirous of participating. Mr. Reynolds said that he fully understands the Department's concern since it is fully responsible for the grounds and required to provide control.

Ms. Jan Case, Fellow Feathers Club, announced that Mr. Bill Laudner, Fellow Feathers Club, would be the spokesman for the group. He circulated several Department of Interior maps and noted that the area marked was the Fort Funston Military Reservation and indicated that this was an excellent spot for the Hang Glider enthusiasts to fly. He explained that he represents a group belonging to the "Fellow Feathers Flying Club"

and they abide by safety rules, education of pilots as to dangers and trying to eliminate accidents. He said that the Club has a perfect record as far as accidents are concerned and they are trying not to affect plant life adversely. Mr. Laudner explained that some areas are dangerous, but Fort Funston is an excellent location. He said he is submitting a petition with 2,000 signatures for the use of Fort Funston.

Vice President Friend asked Mr. Laudner if they have ever landed on the Great Highway and he answered to the negative.

Mr. Leland J. Kozar, representing Palo Mar Stables and Mar Vista Riding Academy, was introduced but requested to be heard later.

Mr. Robert Neuhaus requested to speak as a parent's viewpoint. He said it has been a particular pleasure to attend a Recreation and Park Commission Meeting and observe such accomplishments. He said that he was attending as a parent of an 18 and 19 year old. When his children expressed interest in Hang Gliders, he was astonished and investigated. He attended many meetings and discovered that the clubs stress safety. As a "Sky Parent" he was determined to make the sport even safer. As his interest grew, he discovered that this was a healthy sport, non-detrimental to its environment, with a great future. He explained that this sport offers a real opportunity to the Department to participate with the clubs.

Ms. Eileen Preville, Fellow Feathers Club, explained that a number of women are flyers and that it is not a difficult sport or a dare devil sport. She feels that Hang Gliding has been unfairly projected by the media. She agreed that there is a definite need for control, but the Commission is not the agency to do it, however.

Mr. Emmett O'Donnell, Superintendent of Parks, explained that this item was put on the agenda because of numerous complaints from the Police Department and concerned citizens. He recommended that the Commission adopt a resolution prohibiting the use of Hang Gliders on Recreation and Park property and schedule a meeting with the group to see if a formula can be worked out with safety as the key factor. He explained the problems encountered on the Great Highway.

Ms. Jan Case advised that perhaps since the February meeting, facts have changed and she was not aware of any activity in the area of the Great Highway. She requested that this item be put over until the October meeting so that their Club could arrange a meeting with the Police Department, Golden Gate National Recreation Area and Mr. O'Donnell.

Commissioner McAteer advsed that she, Commissioner Sabella and Mr. Emmett O'Donnell would be interested in going to Fort Funston and taking a look at that location. Commissioner Sabella said that the problem needs more investigation and that he certainly doesn't want to stop the sport.

Mr. Leland J. Kozar, representing the Palo Mar Stables and the Marvista Riding Academy, spoke as an opponent to the use of Hang Gliders. He advised that he resides one mile south of Thorton Beach Park in San Mateo County. Mr. Kozar presented a petition from the users of the facilities of the Mar Vista Riding Academy and the Palo Mar Stables, located on Skyline Drive, near John Muir Boulevard, in Daly City, California, who object to the use of the Camp Funston area by the Hang Gliders as launch sites and sky-ride maneuvers.

Vice President Friend suggested that a resolution be adopted to prohibit flying all areas with the exception of Fort Funston until a study can be made.

On motion of Commissioner Johnson, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9731

RESOLVED, that this Commission does hereby prohibit the use of Hang Gliders in the Great Highway area from Lincoln Way to Fort Funston; and

FURTHER RESOLVED, that the Commission Committee composed of Commissioner McAteer, Commissioner Sabella meet with representatives of the Fellow Feathers Flying Club, Police Department, Golden Gate National Recreation Area, Mr. Emmett O'Donnell on Tuesday, September 17, 1974 at 3:00 p.m. to inspect the Fort Funston area and submit report to the Commission.

27. APPROVAL OF AGREEMENT -
GOLDEN GATE NATIONAL RECREATION AREA:

Mr. Joseph Caverly explained the reason that this item was placed back on the Calendar. He said that the Department of Interior had two areas we did not agree with. Item 5, "Sand Incursion", to be reworded to make it clear that the National Park Service will in no way be obligated in the future to ever share in the costs with the City for removal of sand from the Great Highway. The second item questioned was Item 7, "Lateral Support." It is recommended that this clause be dropped. The Department of the Interior would be willing to entertain a substitute clause that would grant the City the right to enter upon the transferred lands for the purpose of maintaining lateral support for their roadway. In cases other than extreme emergency, they would reserve the right to approve the proposed measures or remedies that would be taken.

The General Manager said that the way the agreement is worded now, it is ready for submission to the Board of Supervisors and he is hopeful that the deeds will come in shortly.

Mr. Harold Sellman, representing himself as an interested citizen, questioned if the Great Highway was included. Mr. Caverly advised him that it was not included.

Vice President Friend told Mr. Sellman that he would be sent a map of the property in question.

Mr. Rene Chateau, Deputy City Attorney, was introduced and advised that one additional sentence should be included in the agreement relating to legal remedies available to the City.

On motion of Commissioner Johnson, seconded by Commissioner Sabella, the following resolution was adopted:

RESOLUTION NO. 9743

RESOLVED, that this Commission does hereby approve agreement between the City and County of San Francisco and the United States of America acting through the Department of Interior, National Park Service, relative to certain municipally-owned park lands which may subsequently be transferred by deeds of donation from this City to the United States of America, for inclusion in the Golden Gate National Recreation Area; and

FURTHER RESOLVED, that additional language relating to the City's legal remedies be explored with the City Attorney and if agreeable to all parties, be incorporated in the agreement prior to submittal to the Board of Supervisors.

The Four Hundred Seventy-First Regular Meeting of the Recreation and Park Commission was called to order at 2:30 P.M. on Thursday, October 10, 1974, by President DiGrazia.

* * * * *

ROLL CALL: President DiGrazia
Commissioner Harris
Commissioner Johnson
Commissioner McAteer
Commissioner Sabella

ABSENT: Vice President Friend
Commissioner Dominguez

* * * * *

APPROVAL OF
MINUTES: Approval of Minutes of Regular Meeting of
September 12, 1974.

* * * * *

SPECIAL ORDER
OF BUSINESS:

On motion of Commissioner Johnson, seconded by Commissioner McAteer, the following Resolutions which were processed under Resolution No. 8561, adopted November 12, 1970, were ratified:

**SPECIAL ORDER
OF BUSINESS: (CONTINUED)**

Mr. James A. Schroeder was acknowledged by President DiGrazia, who requested to speak on the following Special Order of Business items;

- Page 6 - Item D - Request for Warrant -
Mr. Jack Spring, Zoo Director
- Page 7 - Item 2 - Request for Warrant -
Marine World - Africa USA
- Page 7 - Item 4 - Request for Warrant -
Community Enterprises, Inc.
- Page 7 - Item 5 - Request for Warrant -
Noel Associates
- Page 9 - Item 13- Request for Warrant -
City of Palo Alto
- Page 10- Item 19- Request for Warrant -
Santa Cruz Seaside Company
- Page 10- Item 20- Request for Warrant -
National Trophy Company
- Page 10- Item 21- Request for Warrant -
Noel Associates
- Page 10- Item 22- Request for Warrant -
Marine World - Africa USA

Mr. Schroeder requested explanation of these items and President DiGrazia called upon Mr. Caverly, Mr. Misuraca, and Mr. Spring to explain the items questioned by Mr. Schroeder. Regarding special summer outings and the award of trophies, it was explained that these were aspects of a federally assisted program to enhance the recreation opportunities of disadvantaged youths. Similar programs, events and conferring of awards were conducted in recent years and not only proved very popular with the participants but also had been approved by federal auditors. Concerning the question of a possible conflict of interest through the acceptance of funds from a non-profit corporation to augment the Department and travel budget, it was pointed out that Mr. Spring's attendance at the American Association of Zoological Parks and Aquariums Conference was an official City duty. However, a clarification would be sought from the City Attorney.

COMMISSION COMMITTEE
AND STAFF:

1. REPORT OF THE GENERAL MANAGER:

Mr. Joseph Caverly announced that the Board of Supervisors, at their meeting of October 7, 1974, made reductions in three vital appropriations submitted by the Recreation and Park Department in connection with the passage of the 1974/75 tax rate ordinance. The General Manager explained that the amount rescinded totals \$200,000.00. Items include Irrigation Systems Rehabilitation - \$90,000; Sharp Park Golf Course Water Main Repair - \$15,000; Sharon Building, Golden Gate Park Reconstruction - \$95,000.

On the recommendation of the General Manager, and on motion of Commissioner McAteer, seconded by Commissioner Sabella, the following resolution was adopted:

RESOLUTION NO. 9755

RESOLVED, that this Commission does hereby submit to the Board of Supervisors an appeal for reconsideration of Appropriation Numbers 4.651.712.000, 4.651.718.000 and 4.651.723.000 in an effort to restore the \$200,000 rescinded by the Board on Monday, October 7, 1974.

The General Manager announced that a Conference "Tools and Techniques to Measure the Effectiveness of Recreation Programs" was held at the Hall of Flowers on September 24 and in Malibu on Saturday, September 28, and was very well received. Approximately 150 delegates attended the sessions at the Hall of Flowers including key staff personnel. Mr. Caverly circulated a memorandum entitled "Plan for Action - A Practical Blueprint for Change", which summarized his remarks at the Conference.

Mr. Caverly advised that he met with the two newest appointments to the Commission, Mr. Lucien Sabella and Mr. Tommy Harris, on Tuesday, October 8. The General Manager briefed them on

the Plan for Action and its achievements and obstacles. He said that they plan to visit many of the facilities of this Department in the near future and invited other Commissioners to accompany them on what promises to be a most informative tour.

Mr. Caverly announced the retirement on October 15, 1974, of Emmett O'Donnell, after 35 years of dedicated service with the Department. The General Manager commended Mr. O'Donnell for his outstanding work as Superintendent of Parks, thanked him for his fine cooperation and loyalty and wished him a happy retirement.

On behalf of the Commission, President DiGrazia expressed great regret that Mr. O'Donnell was retiring but thanked him for expertly handling so many difficult tasks in an outstanding fashion. Mr. DiGrazia said that he has the utmost respect for Mr. O'Donnell and hopes that he will act as an advisor whenever needed.

Mr. O'Donnell thanked Mr. Caverly, President DiGrazia and members of the Commission for their complimentary remarks and good wishes. He expressed pleasure for having been associated happily with the Recreation and Park Department for such a long period of time.

Following the General Manager's Report, and there being no Commission Committee Reports, President DiGrazia announced that there would be an Executive Session following the Commission Meeting.

2. IMMEDIATE FILLING OF POSITION -
CLASS 3350, PARKS SUPERINTENDENT:

On motion of Commissioner Johnson, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9756

3. AMENDMENT OF AGREEMENT -
VICTORIAN PARK - SAN FRANCISCO
MARITIME STATE HISTORIC PARK:

The General Manager recalled that Commissioner Dominguez questioned this item at the Commission Meeting of September 12, 1974, and introduced Mr. James Wallsten, Architect, Municipal Railway, who is in charge of this project. Mr. Wallsten showed illustrations of the improvements, already underway, and apologized on behalf of the Municipal Railway for not consulting with the Recreation and Park Department, owners of the property. Mr. Wallsten advised that there are two important reasons for the improvements within the area. First, the purpose is to make the highly congested boarding area function more properly so that those persons boarding the cable car may do so in safety. Secondly, this improvement should guarantee a higher percentage of fare collection. Commissioner McAteer asked if this would necessitate someone assigned on the street as a monitor. Mr. Wallsten advised that this would only be necessary during construction. Commissioner McAteer expressed concern that this Department was not consulted. Mr. Wallsten replied that the Municipal Railway had worked with various agencies and understood that it had all necessary permits. Permission was obtained from the State Department of Parks and Recreation which maintains Victorian Park. Mr. Wallsten showed a drawing of the Victorian Park Cable Car Boarding Facility. Commissioner Harris inquired if any green area would be destroyed and Mr. Wallsten advised that the area lost would be a net of 8 feet. He said that the project was now 85% complete.

On motion of Commissioner Sabella, seconded by Commissioner Johnson, the following resolution was adopted:

RESOLUTION NO. 9757

RESOLVED, that this Commission does hereby approve an amendment to the operating agreement (Amendment No. 2) between the State of California and the City and County of San Francisco relative to the Victorian Park at the San Francisco Maritime State Historic Park, to authorize the enlargement of the cable car turntable area and to enable the Municipal Railway to make certain improvements within the area.

5. LAKE MERCED -
LAKE MERCED FISHING PERMIT:

Mr. Julius von Nostitz, representing Associated Sportsmen of California, spoke as a proponent to the amendment of Ordinance No. 6594 relative to the issuance of sporting fishing permits for Lake Merced by reducing from eighteen years to sixteen years the age at which a valid sporting fishing license be issued. He advised that this would be a sound economical move by adding 20% to the revenue, which would allow the purchase of more fish with which to stock the Lake.

On motion of Commissioner McAteer, seconded by Commissioner Johnson, the following resolution was adopted:

RESOLUTION NO. 9759

RESOLVED, that this Commission does hereby approve the amendment of Ordinance No. 6594 (Series of 1939) by amending Section 1 thereof relative to the issuance of sporting fishing permits and collecting of fees for the privilege of taking fish from Lake Merced, by reducing from eighteen years to sixteen years the age at which a valid sporting fishing license issued under the provisions of the California Fish and Game Code and a Recreation and Park Commission Permit are required; amendment to become effective at the opening of trout season in 1975.

7. SETTLEMENT OF LITIGATION:

On recommendation of the General Manager, and on motion of Commissioner Johnson, seconded by Commissioner Sabella, the following resolution was adopted:

RESOLUTION NO. 9761

RESOLVED, that this Commission does hereby approve submission of an ordinance prepared by the City Attorney to the Board of Supervisors, authorizing settlement of claim of Mark Olivier, a minor, Patricia Olivier, and Arthur Olivier, against the City and County of San Francisco, et al, for \$3,000.00; and

FURTHER RESOLVED, that a request for warrant for same is also approved.

8. SAN FRANCISCO ZOO -
PURCHASES OF ANIMALS:

Mr. James A. Schroeder requested permission to speak on the purchases of animals. He urged the Commission not to approve these transactions with one exception. He agreed that the purchase of one female Satyr Tragopan makes sense since the San Francisco Zoo has a male Satyr Tragopan. Mr. Schroeder advised that expending money when the Zoo already has enough exotic animals is unadvisable and he feels that the purchase of animals should not be made until the San Francisco Zoo can take better care of those it already has.

Mr. John J. Spring, Director of the Zoo, explained that these purchases had been approved by the Animal Welfare Committee of the San Francisco Zoological Society and will not add any burden to the Zoo. He explained that climatically, these birds should do very well at the San Francisco Zoo. There is proper exhibit space for them to breed.

PURCHASES OF ANIMALS: (CONTINUED)

Commissioner McAteer inquired if these birds are for the main Zoo or the Children's Zoo. Mr. Spring said all birds would be located in the main Zoo and called upon Mr. Joseph Rusk, Assistant Head Animal Keeper, to explain further. Mr. Rusk said that some of the birds would be located in cages outside and near the lion house. He explained that all pheasants require cool and dry climate and the area adjacent to the Elephant House would be a suitable location.

On the recommendation of the Director of the Zoo, Mr. John J. Spring, and on motion of Commissioner Johnson, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9762

RESOLVED, That this Commission does hereby approve the following purchases of animals for the San Francisco Zoo:

10. JOSEPHINE D. RANDALL JUNIOR MUSEUM -
JOSEPHINE D. RANDALL ENVIRONMENTAL CENTER:

President DiGrazia introduced Mr. John Dillon, Curator of Natural Science, Junior Museum, and Project Chairman for the Josephine D. Randall Environmental Center, who detailed the plans for the Center. He showed the conceptual diagram which included an explanation of the site, the improvements proposed, and the financing program for its development. Mr. Dillon introduced Mrs. Abraham Bernstein, President of the Auxiliary, and Mrs. Isadore Gold, First Vice President, publicly thanking them for their courage and enthusiasm in this endeavor. He advised that the Auxiliary is a hard working organization -- small but mighty. Commissioner McAteer suggested that a day be set to see this exciting facility. Mrs. Bernstein and Mrs. Gold announced that they would welcome the next Commission Meeting to be hosted by them at the Josephine D. Randall Junior Museum. Mr. James A. Schroeder commented on an enjoyable presentation by Mr. Dillon but requested that this matter be put over for a period of 60 days. His concern was that State and Federal Grants would be wasted for such a small area.

On motion of Commissioner Johnson, seconded by Commissioner Sabella, the following resolution was adopted:

RESOLUTION NO. 9754

RESOLVED, that this Commission does hereby approve the conceptual plans and financing program for the development of the Josephine D. Randall Environmental Center.

12. MARINA SMALL CRAFT HARBOR:

Mr. Emmett O'Donnell, Superintendent of Parks, explained that pursuant to action taken at its meeting of October 3, 1974, the Bay Conservation and Development Commission would grant to the City a permit to construct a 117 foot connective breakwater at Gas House Cove of the Marina Small Craft Harbor subject to passage by the Board of Supervisors of a Resolution of Intent to provide the funds for construction of a sewage pump-out facility at Gas House Cove to be completed by January 1, 1977.

On the recommendation of Mr. Emmett O'Donnell, Superintendent of Parks, and on motion of Commissioner Johnson, seconded by Commissioner Sabella, the following resolution was adopted:

RESOLUTION NO. 9766

RESOLVED, that this Commission does hereby approve submission to the Board of Supervisors for its approval of a proposed resolution of intent to provide sufficient funds for the construction prior to January 1, 1977, of permanent sewage pump-out facilities in the East Basin (Gas House Cove) of the Marina Small Craft Harbor capable of receiving materials from boat holding tanks and portable boat toilets and which shall be connected to shoreline sewers.

14. RESOLUTION OF APPRECIATION -
GEORGE P. THOMAS:

Commissioner McAteer asked the Commission to approve the preparation of a Resolution of Appreciation by the Secretary for Mr. George P. Thomas, recently retired member of the Recreation and Park Commission, who served with great distinction and integrity for more than eight years.

On motion of Commissioner McAteer, seconded by Commissioner Harris, the following resolution was adopted:

RESOLUTION NO. 9768

WHEREAS, the expiration of the term of office of George P. Thomas as a member of the Recreation and Park Commission marks the completion of 8-1/2 years of outstanding public service and loyal dedication to the Recreation and Park Department and to the City and County of San Francisco; and

WHEREAS, George P. Thomas was appointed a member of this Commission by Mayor John F. Shelley in 1966; served with distinction as its Vice President in 1967, 1968 and 1969; and was reappointed by Mayor Joseph L. Alioto in 1970 for a period of four years; and

WHEREAS, George P. Thomas was instrumental in the highly complex efforts to restore the Palace of Fine Arts as one of this City's most historic landmarks and relics of its glorious past and further assured the establishment therein of an outstanding theater dedicated to the performing arts, together with a museum of natural sciences; and

WHEREAS, the expansion and improvement of the Marina Small Craft Harbor was a goal he pursued with diligence and success during his entire tenure as a member of this Commission, and in addition he has applied his considerable skills, good judgment and experience to a wide variety of problems that have over the past years confronted this Commission, but particularly in those areas involving senior citizen affairs, and the operation and expansion of Candlestick Park, and frequently at personal inconvenience gave of his busy time to represent the Department at a wide variety of governmental hearings and municipal affairs; and

WHEREAS, the dedication and vigor which have characterized all of George P. Thomas' acts have crystallized in the minds of those who have been fortunate to know him, the firm conviction that he is the highest type of gentleman and public official; now, therefore, be it

RESOLVED, that the members of this Commission, having enjoyed a very close and extremely pleasant relationship with George P. Thomas and having relied on his judgment and counsel on numerous occasions, do hereby express to him sincere appreciation for a job superbly done; and

15. RESOLUTION OF APPRECIATION -
EMMETT W. O'DONNELL:

Commissioner McAteer asked the Commission to approve the preparation of a Resolution of Appreciation by the Secretary for Mr. Emmett W. O'Donnell, who will retire on October 15, 1974 as Superintendent of Parks, after 35 years of dedicated service with the Department.

On motion of Commissioner McAteer, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9769

WHEREAS, the members of the Recreation and Park Commission note with feelings of genuine regret that Emmett W. O'Donnell retires on October 15, 1974, after 35 years of faithful service with the San Francisco Recreation and Park Department; and

WHEREAS, the career of Emmett W. O'Donnell is replete with his outstanding accomplishments which commenced with his appointment as an Apprentice Gardener in 1939, and which continued through the ensuing years during which he advanced rapidly so that he was certified as a Tree Topper Foreman in 1956 and culminated when he was appointed Superintendent of Parks on May 1, 1971; and

WHEREAS, the retirement of Emmett W. O'Donnell concludes a distinguished career of public service dedicated to the beautification, maintenance and enhancement of all Recreation and Park Department facilities, and in particular to Golden Gate Park, which has been nurtured through his ability, imagination, foresight and sense of beauty; and

WHEREAS, his ability to supervise, his good judgment, his superb understanding of human nature, together with the very pleasant association which all the members of this Commission have enjoyed with Emmett W. O'Donnell during his years of service has convinced all who know him that a very real loss will be experienced by the Department upon his retirement, and that his many fine personal attributes will be exceedingly difficult to replace; now, therefore, be it

10. From Mr. James Lucey, Program Chairman, United Irish Societies of San Francisco, thanking the Commission for permitting the Society to present a program at the Music Concourse on Sunday, September 22, commemorating the memory of Commodore John Barry, and commending the Department for the wonderful entertainment the Sunday Concerts provide the people of San Francisco.

The first of these is the fact that the human mind is not a blank slate at birth, but is endowed with certain innate faculties, which are developed and modified by experience. This is the doctrine of innateness, which is supported by many authorities, including Locke, who, though he is often regarded as a proponent of the blank slate theory, actually admitted that certain ideas are innate. The second point is that the human mind is capable of learning from experience, and that this learning is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of empiricism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The third point is that the human mind is capable of reasoning, and that this reasoning is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of rationalism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The fourth point is that the human mind is capable of feeling, and that this feeling is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of sentimentalism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The fifth point is that the human mind is capable of acting, and that this acting is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of utilitarianism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The sixth point is that the human mind is capable of knowing, and that this knowing is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of idealism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The seventh point is that the human mind is capable of loving, and that this loving is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of romanticism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The eighth point is that the human mind is capable of hating, and that this hating is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of realism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The ninth point is that the human mind is capable of fearing, and that this fearing is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of mysticism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The tenth point is that the human mind is capable of hoping, and that this hoping is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of positivism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The eleventh point is that the human mind is capable of despairing, and that this despairing is not limited to the acquisition of facts, but extends to the development of habits and character. This is the doctrine of pragmatism, which is supported by many authorities, including Locke, who is often regarded as a proponent of this theory.

The Four Hundred Seventy-Second Regular Meeting of the Recreation and Park Commission was called to order at the Josephine D. Randall Junior Museum, 2:30 P.M. on Thursday, November 14, 1974, by Vice President Friend.

* * * * *

ROLL CALL: Vice President Friend
Commissioner Dominguez
Commissioner Harris
Commissioner Johnson
Commissioner McAteer

ABSENT: President DiGrazia
Commissioner Sabella

* * * * *

APPROVAL OF MINUTES: Approval of Minutes of Regular Meeting of October 10, 1974.

* * * * *

Vice President Friend thanked the Auxiliary of the Josephine D. Randall Junior Museum for hosting the 472nd meeting of the Recreation and Park Commission and introduced Mrs. Isadore Gold, First Vice President of the Auxiliary. Mrs. Gold welcomed the Commission and Staff to the Junior Museum. She explained the historical background of this important facility, pointing out that its purpose is to serve all of the people throughout the City. Mrs. Gold announced that the Auxiliary has accepted the sponsorship of the Josephine D. Randall Environmental Center. It is anticipated that the Environmental Center, together with the Junior Museum, will become an even more popular indoor-outdoor education center. Mrs. Gold asked that the Commission approve changing the name of the Josephine D. Randall Junior Museum to San Francisco Youth Museum. Commissioner Dominguez advised that this request should be referred to the Names Committee.

Vice President Friend announced that Commissioner Dominguez and Commissioner McAteer would take this request under consideration at their Committee Meeting.

REQUESTS:

CONSERVATORY VALLEY -
FLORAL PLAQUE:

Mr. Caverly, General Manager, announced that although two organizations requested the month of February, 1975, for the Floral Plaque in Golden Gate Park, Mrs. Cecil F. Poole, member, Board of Directors, Children's Hospital of San Francisco, very generously relinquished her request for February and advised that Children's Hospital, which will be observing its Centennial, would be happy to accept the month of January.

Vice President Friend acknowledged Ms. Barbara C. Gilford, Chairman, Black History Week, 1975, for the San Francisco African American Historical and Cultural Society, Inc., who expressed her gratitude to Mr. Caverly, the Commission and Mrs. Cecil F. Poole for their kind consideration.

On motion of Commissioner Harris, seconded by Commissioner McAteer, the following requests for the Floral Plaque in Golden Gate Park were approved:

January, 1975 - From the Board of Directors, Children's Hospital of San Francisco, to promote the celebration of their Centennial.

February, 1975 - From the San Francisco African American Historical and Cultural Society, Inc., in observance of Black History Week, 1975.

**COMMISSION COMMITTEE
AND STAFF:**

1. REPORT OF THE GENERAL MANAGER:

Mr. Caverly thanked the Auxiliary and Staff of the Josephine D. Randall Junior Museum for the courtesies extended to the Recreation and Park Commission and expressed his appreciation to the Auxiliary for its work.

The General Manager reported on his attendance at the 1974 Congress for Recreation and Parks, held in Denver, Colorado, from October 20 through October 25, 1974. He announced that an invitation was extended to the Urban Recreation and Park Alliance, representing the twenty-five cities having populations over 500,000, to meet in San Francisco on April 19, 20 and 21, 1975. Mr. Caverly explained that many vital problems which plague metropolitan areas will be discussed at this conference; the Department looks forward to hosting this important event.

Mr. Caverly announced that a recent fire at St. Mary's Recreation Center caused an estimated \$10,000 damage. Repair of the Center will add to the many problems faced by the Department.

The General Manager introduced Dr. William E. Mottram, Veterinarian at the San Francisco Zoo, and announced that he has been selected as Interim Zoo Director effective November 14. Mr. Caverly explained that prior to becoming the Zoo's full-time Veterinarian in 1970, Dr. Mottram had been associated with the Zoo on a contractual basis for 16 years and played a major role in the design of the new animal hospital which was formally dedicated prior to this meeting.

The General Manager said that Dr. Mottram was an early volunteer with a deep interest in the Zoo and expressed his congratulations with best wishes in his new assignment.

Mr. Caverly advised that the salary of the San Francisco Zoo Director is between 40 to 50% below other Zoo Directors throughout the Country. This creates a major problem in recruiting applicants for the Zoo Director's position. The General Manager announced that he recommended to the Civil Service Commission that it upgrade the Zoo Director's salary.

Mr. Caverly asked Mr. Thomas Malloy, Executive Assistant to the General Manager, to report on "Senior Citizens Day" at the Opera. Mr. Malloy explained that although the Department was given only three days' advance notice of the event, 400 orchestra and box seats were made available to senior citizens at a discount rate of \$2.00 per ticket for the Saturday, October 26 performance of Rossini's "La Cenerentola"; because of its success, that a precedent will be set for future senior citizen matinees. Mr. Malloy expressed his appreciation to the Recreation Staff for their efforts.

AND STAFF: (CONTINUED)

2. SUPERINTENDENT OF PARKS -
APPOINTMENT OF JOHN J. SPRING:

Commissioner McAteer, as spokesman for the Zoo Committee, commended Mr. John J. Spring for his outstanding accomplishments as Director of the San Francisco Zoo and wished him success in his new appointment as Superintendent of Parks.

The General Manager expressed great confidence in Mr. Spring's administrative ability. Mr. Caverly reported that he had interviewed four outstanding candidates for the Superintendent's post. Even though Mr. Spring was effectively filling a vital role at the Zoo, it was felt that he could make an even greater contribution to the City as Superintendent of Parks.

The individual Commissioners present congratulated Mr. Spring.

On motion of Commissioner Johnson, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9782

RESOLVED, that this Commission does hereby ratify the appointment of Mr. John J. Spring as Superintendent of Parks, Class 3350.

4. GOLDEN GATE PARK -
SENIOR CITIZENS' CENTER -
LEROY SINDELL, SR. TRUST:

On motion of Commissioner Harris, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9784

RESOLVED, that this Commission does hereby approve acceptance of the amount of \$43.75 representing the quarterly pro-rata distribution on funds collected in connection with the LeRoy S. Sindell, Sr. Bequest Fund for the Golden Gate Park Senior Citizens' Center.

* * * * *

5. SPEAKER'S CORNER:

Commissioner Dominguez requested that consideration of the establishment of a speaker's corner tradition with the location of such an activity to be determined, as well as time limitations be referred to Committee for further study.

Mr. Caverly explained that the request for such an activity was received from the San Francisco Lawyers' Committee for Urban Affairs and that the Staff has looked into its possibilities.

Vice President Friend referred this matter to Committee, as follows:

Commissioner Harris
Commissioner Johnson

6. BERNAL HEIGHTS -
BERNAL HEIGHTS MICROWAVE STATION:

Mr. Donald Mayfield, representing the Pacific Telephone Company, explained that the new cable would be installed by means of a bore process. This will eliminate any surface disruption of Bernal Heights Park. Mr. Mayfield indicated that he had met with a committee of the "Bernal Heights Association" to explain this project. The Association has notified the Department that it approved the Telephone Company's plan.

On motion of Commissioner Dominguez, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9785

RESOLVED, that this Commission does hereby approve the request of the Pacific Telephone and Telegraph Company for permission to install a new cable to the Microwave Station on Bernal Heights.

7. PALACE OF FINE ARTS -
EXPANSION OF THEATER FACILITIES:

Mr. Hans U. Gerson, Architect, representing the Palace of Fine Arts League, displayed plans of the proposed alterations to the Palace of Fine Arts Theater lobby. He explained that the expansion had been approved by the Art Commission. He further said that the plan is to separate the concession area from the foyer and provide proper ticket facilities. Mr. Gerson said that the construction is made possible through a \$90,000.00 gift from Mr. Walter Johnson to the Palace of Fine Arts League.

Commissioner McAteer described the confusion in the lobby caused by people sitting on the floor and said that the reconstruction of this area, which would allow the separation of the walking and eating areas, would indeed enhance the use of the Palace of Fine Arts Theater.

Mr. Gerson announced that he was particularly pleased to appear before the Commission today because the Josephine D. Randall Junior Museum was the first building he worked on when he began his career as an architect.

On motion of Commissioner Johnson, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9786

RESOLVED, that this Commission does hereby approve the proposed alterations and submission of preliminary plans for the expansion of theater facilities, Palace of Fine Arts.

8. WEST PORTAL PARK -
WEST PORTAL PLAYGROUND:

Mr. Jack M. Barron, Project Manager, Transit Task Force, displayed a model of the proposed Children's Playground, West Portal Park. The station would be constructed by BART with the use of BART funds. He explained that the Art Commission has given its approval and that in constructing this station, an excellent opportunity will be created for an outstanding playground area. Mr. Barron said that he has had the full cooperation of BART staff, community and the Recreation and Park Department. He asked the Commission to give its approval to the final plans and specifications. Mr. Barron then introduced Mr. Howard Grant, representing Reid and Tarics Associates and Mr. Ken Johnson. Mr. Grant stated that construction for this project is scheduled to begin in March, 1975, with completion in approximately thirty months. He then showed a large scale plan of the station site, pointing out that the tennis courts are planned for the top section of the arched area.

WEST PORTAL PLAYGROUND: (CONTINUED)

of the subway station. Mr. Grant explained that a two percent (2%) slope would be allowed for drainage purposes. In answer to Commissioner McAteer's question about lighting, Mr. Grant said that there would be protective lighting although not specifically designed for night-time tennis use. Mr. Ken Johnson showed illustrations of the proposed Recreation Building and Tot Lot, pointing out the locations of the sand and grass areas, tube slides, fire pole and seating arrangements. Mr. Barron noted that this project was designed to be vandal proof, with less maintenance than in the existing park.

Mrs. Christine H. Bartlett, representing the West Portal neighborhood, discussed the many problems that were faced during design negotiations. Although the community feels it will be losing some square footage, she is relieved that they now have reached a fair agreement. She thanked Mr. Caverly, Commissioner McAteer, Mr. Misuraca, Mr. Barron and Mr. Grant for their cooperation.

Vice President Friend commented that this new improved facility will bring pleasure to so many. He added that vandalism is a product of our time, with so few doing the damage but the end result hurts so many. Recreation and Park Department facilities belong to all of the people and the Department only acts as custodian. The general public which suffers most from vandalism must form an alliance with the Department to deter the few who bring such ill to the community.

On motion of Commissioner McAteer, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9787

RESOLVED, that this Commission does hereby approve the final plans for West Portal Building and Playground.

9. SAN FRANCISCO ZOOLOGICAL GARDENS
TOUR TRAIN EQUIPMENT:

Mr. John J. Spring, Superintendent of Parks, introduced Mr. Jay G. Stewart, General Business Manager, San Francisco Zoological Society, who explained that the proposed equipment is comparable in design concept and dimension to that which is currently in operation, but will be approximately 20" wider and about 8' shorter. Mr. Stewart added that by being slightly larger, the seating would now be four abreast which would be safer and upgrade the

service at the Zoo. Mr. Stewart stressed that the chief reason for the Society's directly operating the tour trains was improved public service. It seems unlikely that the present operator will be able to replace the existing equipment.

On motion of Commissioner Dominguez, seconded by Commissioner Johnson, the following resolution was adopted:

RESOLUTION NO. 9788

RESOLVED, that this Commission does hereby approve the request of the San Francisco Zoological Society for new tour train equipment proposed for operation by the Society at the San Francisco Zoological Gardens.

10. SUPPLEMENTAL APPROPRIATION -
BAYVIEW PLAYGROUND -
MARTIN LUTHER KING POOL:

Mr. Caverly, General Manager, expressed his sorrow at the unfortunate drownings of two young boys at Martin Luther King Pool. The supplemental appropriation request for \$50,000.00 was passed in principle by the Finance Committee, then by the full Board of Supervisors on Tuesday, November 12, with an 11 to 0 vote of approval. This appropriation would be used for plans, specifications and engineering services to enclose the Martin Luther King Swimming Pool and for its conversion to a year around use for the Hunters Point/Bayview area. Mr. Caverly explained that the pool is 40x75 feet with a sand and gravel filter and not presently constructed for a year-around use.

On the recommendation of the General Manager, and on motion of Commissioner Johnson, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9789

RESOLVED, that this Commission does hereby approve submission of a Supplemental Appropriation to the Mayor, the Board of Supervisors and the Controller for plans, specifications and engineering services to enclose Martin Luther King Swimming Pool and to convert it to a year-around pool for the Hunters Point/Bayview Area - total estimate cost \$50,000.00.

10. SUPPLEMENTAL APPROPRIATION -
BAYVIEW PLAYGROUND -
MARTIN LUTHER KING POOL: (CONTINUED)

Vice President Friend acknowledged Reverend Bowser, Ecuminical Ministerial Fellowship Church, who thanked the Commission for their action today in approving the Supplemental Appropriation and expressed his hopes that the Martin Luther King Pool would be converted into a first-class facility.

Mr. James L. Williams, Bayview Hunters Point Coordinating Council, invited the Recreation and Park Commission to hold a meeting in the Hunters Point area and to tour its facilities. He emphasized the importance of seeing the areas so in need of improvement. He stressed that 14,000 children must be provided with sanitary and safe recreation facilities that are well equipped.

Vice President Friend advised Mr. Williams that a meeting of the Commission will be considered after the holidays and that this Department and Commission are very much aware and concerned of the many problems that plague the Bayview Hunters Point area.

Mr. Caverly expressed his concern and stated that by the approach of involving the community and joining hands with the Department it is possible to overcome so many problems. He said that it will be an up-hill fight, but with a new spirit and willingness on all sides, success is likely.

Mrs. Ethel Garlington, Bayview Hunters Point Coordinating Council, was introduced by Mr. Earl P. Mills, Chairman, Executive Committee, who said she would be the spokesman for the group. Mrs. Garlington advised that she has lived in the Bayview district for 31 years and has seen Hunter's Point from beginning to end. She thanked the Commission for what they are doing for Martin Luther King Swimming Pool but asked that they do visit the facilities so they can see the condition of Joseph Lee Recreation Center, Palou-Jennings Playground and Milton Meyer Recreation Center.

18. SAN FRANCISCO ZOO -
PURCHASES OF ANIMALS:

Mr. John J. Spring, Superintendent of Parks, explained that the birds being purchased would do well in our Indoor Aviary since there is ample space for them.

Mr. James A. Schroeder, representing Wildlife Alive, expressed his opposition to the further purchases of animals for the San Francisco Zoo, explaining that there should be no additional animal purchases until the existing animals at the Zoo can be taken care of properly.

Commissioner McAteer inquired about why it was decided to purchase these birds. Mr. Spring said that these increasingly rare birds were available, ample space can be provided and there would not be an increase in the work load. He added that this transaction was recommended by the Animal Affairs Committee as being very worthwhile.

On the recommendation of Mr. John J. Spring, and on motion of Commissioner Dominguez, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9797

RESOLVED, that this Commission does hereby approve the following purchases of animals for the San Francisco Zoo:

From: Yanik Rainbow Aviaries
Charlotte Court House, Virginia

Two pr. Honey Creepers @ \$100.00 pr.	\$200.00
Two pr. Violet Euphonias @ \$100.00 pr.	200.00
Two pr. Blue and Grey Tanager @ \$100.00 pr.	200.00

**19. SAN FRANCISCO ZOO -
EXCHANGES OF ANIMALS:**

On the recommendation of Mr. John J. Spring,
and on motion of Commissioner Dominguez,
seconded by Commissioner Johnson, the following
resolution was adopted:

RESOLUTION NO. 9798

RESOLVED, that this Commission does hereby approve
the following exchange of animals at the San Francisco
Zoo:

Honolulu Zoo
Honolulu, Hawaii
To Receive:

One pair Chinese Bar-tailed Doves (value \$75.00

**20. SAN FRANCISCO ZOO -
SALE OF ANIMALS:**

Mr. John J. Spring, Superintendent of Parks,
explained that the first item requested the sale
of one pair Stump-Tail Macaques @ \$150.00 pr.,
and five Pig-Tail Macaque @ \$275.00 for the
group, be omitted from this transaction because
it was discovered that Trefflich's of West
Broadway, Inc., New York, is licensed as a
dealer and not as an exhibitor.

Vice President Friend expressed his appreciation
to Mr. James A. Schroeder for his concern in this
transaction.

Mr. James A. Schroeder asked the Commission to
delete the third item, the sale of four Sika
Deer @ \$350.00 the group, because he feels that
the antlers will be used in the manufacture of
aphrodisiacs. He regarded this as an improper
transaction for a zoo.

20. SAN FRANCISCO ZOO -
SALE OF ANIMALS:

Dr. William E. Mottram, Interim Zoo Director, explained that the animals are not harmed in any way and that the Sika Deer shed their antlers annually.

On the recommendation of Mr. John J. Spring, and on motion of Commissioner Johnson, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9799

RESOLVED, that this Commission does hereby approve the following sale of animals at the San Francisco Zoo:

To: Olympic Game Farm
Sequim, Washington

1 male Jaguar @ \$400.00

To: California Enterprises
World Trade Center, San Francisco

Four Sika Deer @ \$350.00 the group

Total \$ 750.00

21. KEZAR PAVILION:

Mr. Peter Alvarez, Promoter, professional and amateur boxing matches, thanked the Commission and Staff for their help in restoring boxing to San Francisco and expressed his hope that this sport will succeed.

On the recommendation of Mr. Paul Yuke, Business Manager, and on motion of Commissioner Dominguez, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9800

RESOLVED, that this Commission does hereby ratify approval of the request of Messrs. Peter Alvarez and Luis Curiel for the non-exclusive right to use Kezar Pavilion for a period of one year for the purpose of holding professional and amateur boxing exhibitions, at a rental rate of \$550.00 per performance or 10% of the gross receipts, whichever is greater.

22. AMENDMENT TO CONTRACT -
MISSION NEIGHBORHOOD PHYSICAL
DEVELOPMENT RECREATION PROGRAM:

On the recommendation of the General Manager, and on motion of Commissioner Dominguez, seconded by Commissioner Johnson, the following resolution was adopted:

RESOLUTION NO. 9801

RESOLVED, that this Commission does hereby ratify approval of an amendment to the agreement between the Recreation and Park Department and Youth Activities of the Archdiocese of San Francisco, Inc.

* * * * *

23. SAN FRANCISCO ZOOLOGICAL GARDENS:

Vice President Friend introduced the Honorable Clarissa McMahon, former member of the San Francisco Board of Supervisors and President of the San Francisco Zoological Society.

Mr. Joseph Caverly, General Manager, expressed his appreciation to the San Francisco Zoological Society, particularly Mr. James J. Ludwig, Chairman of the Board, and Mrs. Clarissa McMahon, Commissioner Dominguez, Mr. John J. Spring and Mr. Thomas Malloy for their invaluable assistance in the selection of the firm of Esherick Homsey Dodge and Davis for the preparation of the Zoo Master Plan.

The General Manager explained that thirty Master Plan proposals were submitted and out of the seven finalists, the Committee made an outstanding selection.

Mrs. Clarissa McMahon advised that she is pleased that the City of San Francisco is now on its way to having a better Zoo which will both benefit the Community and provide a finer home for the animals.

In answer to Mr. James A. Schroeder's question on what became of the past Master Plan developed in 1968, Mr. John J. Spring, Superintendent of Parks, explained that this up-dates the Master Plan.

On the recommendation of the General Manager, and on motion of Commissioner Harris, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9802

RESOLVED, that this Commission does hereby approve an Award of Contract in the amount of \$60,000.00 for preparation of Zoo Master Plan to Esherick Homsey Dodge and Davis.

REQUESTS:CONSERVATORY VALLEY -
FLORAL PLAQUE:

Mrs. Lloyd Taylor, representing the American Academy of Orthopaedic Surgeons, advised that some 2500 to 3000 women planned to attend "A Day in the Park" during their Forty-Second Annual Meeting in San Francisco, March 1 through March 6, 1975. To be greeted upon entering the Park would make this event a special one and Mrs. Taylor expressed hope that the Commission would award the Floral Plaque to her organization.

Vice President Friend suggested that since the National Council of Jewish Women also requested recognition for the month of March, each organization could be identified on the Floral Plaque for half a month.

Mr. Carl Poch, Assistant Superintendent of Parks, said that by using the same basic design, this could be accomplished.

On motion of Commissioner Friend, seconded by Commissioner McAteer, the following requests for the Floral Plaque in Golden Gate Park were approved.

March, 1975 (1st two weeks) - From the American Academy of Orthopaedic Surgeons, to publicize their Forty-Second Annual Meeting.

March, 1975 (2nd two weeks) - From the National Council of Jewish Women, to welcome delegates to their convention.

awards were presented by Chief Donald Scott at a ceremony at the Hall of Justice on Wednesday, November 27, 1974, for their assistance in the apprehension of a criminal at Stow Lake on October 8. Mr. Caverly congratulated them for their heroic achievement.

Golf Director

Mr. Caverly stated that an oral examination was scheduled for tomorrow, Friday, December 13, 1974, for the position of Golf Director. This was a major recommendation of the Plan for Action. Mr. Caverly noted that the Golf Director will coordinate all golf responsibilities.

Christmas Carol Festival

The General Manager announced that the annual Christmas Carol Festival will be presented by the San Francisco Recreation and Park Department in the Rotunda of City Hall at noon on Thursday, December 19. Mr. Caverly invited the Commissioners to attend and added that this is a delightful experience to witness. Forty different playgrounds are to be represented, with approximately 300 children from all sections of San Francisco participating in the caroling, under the direction of Mr. William Booth, Director of the Music Division of the Recreation and Park Department.

Park Christmas Tree

Mr. Caverly announced that the lighting of San Francisco's official Christmas tree will take place on Thursday, December 19 at 4:30 p.m., with Santa Claus presenting toys to the children from the Holy Family Day Home. He expressed his appreciation to the crew of the aircraft carrier USS Coral Sea for loaning decorations for this event.

Senior Citizens' Christmas Party

The General Manager advised that the Senior Citizens' Christmas party would be held at Golden Gate Park Senior Center, 37th Avenue and Fulton Street, on Friday, December 20, 12:00 noon, and invited the Commissioners to attend.

Flower Display

Mr. Caverly stated that four Silver Sword plants, rare Hawaiian plants which grow only in the crater of Haleakala Volcano on the Island of Maui, are on display at the Conservatory of Flowers in Golden Gate Park as part of the holiday show. Mr. Caverly commended Mr. Al Ottoboni, Chief Nurseryman, for this outstanding botanical achievement.

2. COMMISSION COMMITTEE REPORTS:

Commissioner McAteer commented on the outstanding Zoo programs, particularly the movie, "Birds Do It - Bees Do It", shown recently at the Lions' House. She said that over 500 people were in attendance. Commissioner McAteer said that this event was handled expertly, without disturbance to the animals. In answer to her question on upcoming events at the Zoo, Dr. William E. Mottram, Interim Director of the Zoo, announced that a "Zootique" would be on Saturday, December 14, from 10:00 a.m. to 5:00 p.m., with handcrafted, one-of-a-kind animal motif gifts for sale by members of the San Francisco Zoological Society. He added that on that day there will be a special film for children at the Shoong Auditorium in the Children's Zoo starting at 11:00 a.m. and at 2:00 p.m., which will be a free admission day. Mr. Robert Hulen, Public Services, announced that there will be films at the Zoo's Shoong Auditorium on Thursday and Friday, December 19 and 20, and Thursday and Friday, December 26 and 27, dealing with natural history.

Commissioner McAteer advised that there was a Names Committee Meeting held at McLaren Lodge on Monday, December 9, 8:30 a.m., attended by Commissioner Dominguez, Mr. Thomas Malloy, Executive Assistant to the General Manager, and herself, to discuss the following:

1. Renaming Middle Drive.
2. Renaming Josephine D. Randall Junior Museum.

The Committee agreed to withhold action on the renaming of Middle Drive until after the Academy of Sciences completes its present expansion project that will provide a "Hall of Man" devoted to anthropology and an addition to the Steinhart Aquarium.

Consideration of renaming the Josephine D. Randall Junior Museum was deferred until the fund raising drive for the Josephine D. Randall Environmental Center is completed.

Commissioner McAteer announced that she has made arrangements with the Recreation Department to receive a six-month calendar of events so that there will be time to schedule the attendance of the Commissioners at each of these important programs.

The General Manager expressed appreciation to Mrs. McAteer for this excellent idea and said that the attendance of the Commissioners to these functions would lend so much support to the Staff.

Vice President Friend said that the Department is moving ahead on leases and concessions and that he should provide the Commission with a full report within the next few months.

Commissioner Harris discussed the proposed "Speakers' Corner" which had been suggested, and said that Commissioner Johnson recommended using Embarcadero Plaza for this purpose. He will discuss this further with Commissioner Johnson before presenting it to the Commission.

GOLDEN GATE SENIOR CITIZENS CENTER - VANE BEQUEST
DESIGNATION OF ARCHITECT:

Concerning the proposed remodeling and expansion of the Golden Gate Park Senior Citizens Center, Mr. Joseph Caverly, General Manager, explained that three architectural firms were interviewed on December 5 by a selection committee, which included Commissioner Dominguez. The committee's unanimous recommendation was that the firm of Germano Milono and Associates be hired to provide the necessary architectural services. The choice met with the approval of S. Myron Tatarian, Director of Public Works. Funding is available in the Vane Bequest. The center is located at 37th Avenue at Fulton Street.

CHILDREN'S PLAYGROUND -
APPROVAL OF AGREEMENT:

The General Manager described the history of the Children's Playground and announced that donations have been received for its rehabilitation. Commissioner McAteer inquired about how much money was presently available for this project. Mr. Caverly advised that \$90,000.00 has been donated.

Vice President Friend suggested that by accelerating interest, particularly through the media more private funds might be obtained. He explained that this facility has great historical value and its rehabilitation would surely benefit all of the community. He said that anyone who spent his childhood years in San Francisco will recall pleasant memories of this Playground.

On motion of Commissioner Harris, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9815

Mr. Tom Malloy, Executive Assistant to General Manager, explained that landmark designation in the National Register is a prerequisite for obtaining Historic Preservation Grant Fund. Such a listing would not affect interior design or utilization.

Commissioner McAteer recommended that it would be worthwhile to explore the possibility of designating the Children's Playground as a historical site. Mr. Malloy said this might pose problems in connection with the forthcoming rehabilitation of the Playground which will provide new apparatus.

Mr. Joseph Caverly, General Manager, announced that after many meetings with Mr. William J. Whalen, General Superintendent, Golden Gate National Recreation Area, Staff of the United States Department of Interior, as well as the City's Real Estate, Public Works and Planning Departments, the Recreation and Park Department is now ready to recommend the transfer of its properties located at Land's End, Fort Miley and portions of Lincoln Park.

Mr. Douglas Martin, Division Engineer, Department of Public Works, displayed Map numbered RP-075-74-1, dated December, 1974, which identifies properties to be donated by the City to the United States Department of Interior, National Park Service. He explained that certain property adjacent to those included in the transfer belongs to the State of California.

Mr. William J. Whalen expressed his satisfaction at the progress being made and explained that this is Phase I of three phases and that no money can be spent until the United States Government receives title to the properties.

Mrs. Amy Meyer, representing People for a Golden Gate National Recreation Area, expressed her delight and thanked Mr. Caverly, the Commission, Mr. Whalen, and everyone involved, that a great achievement has been accomplished for the City.

On the recommendation of the General Manager, and on motion of Vice President Friend, seconded by Commissioner Dominguez, the following resolution was adopted:

RESOLUTION NO. 9818

RESOLVED, that this Commission does hereby approve recommending to the Board of Supervisors the donation of approximately 90 acres of City and County of San Francisco park lands within Assessor's Block 1313 (Land's End, Fort Miley, and portions of Lincoln Park) to the Secretary of the Interior, for inclusion in the Golden Gate National Recreation Area. 15. MARINA SMALL CRAFT HARBOR -
INCREASE IN RENTALS:

The following individuals, representing boat owners, spoke in protest of an increase in berth rates at the Marina Small Craft Harbor:

Mr. Jack N. Rabinowitz, President, Boat Owners Association
 Mr. Wally Solloway
 Mr. Michael Abel
 Mrs. C. S. Melder
 Mr. John O'Connor
 Mrs. Dorothy Corwell
 Mr. Maxwell P. Williams
 Mr. William Edminston
 Mr. R. A. Nobles
 Mr. Irwin A. Phillips
 Mr. Ed Sugarman
 Mr. Joseph A. Onorato
 Mr. Peter Rosenwald
 Mr. Alfred Keleheri

As primary spokesman, Mr. Rabinowitz criticized existing conditions at the Harbor, questioned the equity of the new rate schedule and urged that improvements take place before rates are modified. Several individuals compared conditions at the Marina Small Craft Harbor and other boat facilities in the State. The General Manager distributed a schedule showing rates charged at other harbors, both public and private.

Several speakers requested data on final operations of the Harbor. Mr. Kenndall C. Webb, San Francisco Boat Owners Association, stressed that he was not speaking as a proponent or an opponent but feels that additional rental is not warranted until services improve.

Mr. Glenn Beauchamp, Assistant Business Manager, circulated an itemized account of Revenues and Expenditures For the Marina Small Craft Harbor from 1969 to 1974, noting that in 1973-74, more money was spent than received, creating a \$14,231 deficit.

Mr. William Gray, Harbormaster, explained that the proposed improvements such as the completion of the breakwater at Gas House Cove, construction of boatowners' showers, painting floats and signs, installation of electrical outlets at the transit floats, and establishing a maintenance team under the jurisdiction of the harbormaster for a more efficient preventative maintenance program, would eliminate most of the problems.

Vice President Friend commended Mr. William Gray for his dedication and said that San Francisco is fortunate to have such an outstanding harbormaster. He explained that the \$600,000.00 loan for harbor improvements was contingent upon raising the rates so that they would be brought up to the rentals of other harbors. President DiGrazia emphasized the point made by

16. GOLDEN GATE YACHT CLUB -
INCREASE IN RENTAL:

Mr. Joseph Caverly, General Manager, distributed a letter from Mr. Wallace Wortman, Director of Property, Real Estate Department, dated December 12, 1975, which recommended that the fair rental value of the land and water area occupied by the Golden Gate Yacht Club is Two Hundred and Seventy-Five Dollars (\$275.00) per month. This sum will be in addition to the monthly rental charged for berths occupied by the Club.

Past Commodore, Mr. Max Williams, founder of the Golden Gate Yacht Club and Commodore John G. Roveda, were introduced by President DiGrazia. Mr. Williams detailed the history of the Club and Commodore Roveda explained that the recommended rental was too high for such a small amount of land. It was noted that the Club owns the building it occupies.

On the recommendation of the Director of Property, and on motion of Commissioner McAteer, seconded by Commissioner Dominguez, the following resolution was adopted:

17. PACIFIC ROD AND GUN CLUB -
INCREASE IN RENTAL:

The General Manager recommended that the Commission adopt a monthly rental of \$300.00 for the Pacific Rod and Gun Club. While it is true that the Director of Property had recommended a higher rent, his evaluation was based solely on the value of land occupied.

Mr. Caverly said it is necessary to modify the rental schedule to reflect a credit for the value of the services that the club is performing for the general public. The club is open to the general public and its activities are a legitimate recreation pursuit that in many cities is the responsibility of the local recreation and park department. The Commission was reminded that this Department operates the Sharp Park Rifle Range. If the services provided by the Pacific Rod and Gun Club were under the jurisdiction of this Department there would be a considerable burden on the taxpayer for staff, maintenance and capital improvements.

The General Manager further recommended that the Commission enact only a rental schedule and that the present month-to-month lease be continued.

Mr. Gregory Stout, President, Pacific Rod and Gun Club, assured the Commission that they will continue to give the highest quality of service, although it might be necessary to increase their price per round, presently being sold at \$1.25. Mr. Stout suggested that the rental should be subject to review on an annual basis. He explained that the Club is a non-profit organization and that if their volume drops, the rental should be lowered accordingly.

Vice President Friend concurred with Mr. Stout's suggestion, adding that by continuing to service the public, the rental schedule will be reviewed the first of each calendar year.

**18. VISITACION VALLEY -
LITTLE HOLLYWOOD PARK:**

Mr. Caverly said that a great deal of time and effort has gone into this project. A major problem was the concern of the Sunset Scavenger Company that the top of the hill is contiguous to their garbage compaction plant. It has been agreed that some of the Revenue Sharing funds earmarked for Visitacion Valley recreation improvement be used for necessary fencing.

Mr. Thomas Malloy, Executive Assistant to the General Manager, explained that Little Hollywood is geographically isolated and that Candlestick Cove Elementary School is the only public facility in that area. He added that both the Sunset Scavenger Company and Golden Gate Disposal have been extremely cooperative and that this project has the approval of the City Attorney and Real Estate Department.

On motion of Commissioner Dominguez, seconded by Commissioner McAteer, the following resolution was adopted:

RESOLUTION NO. 9828
